## CORPORATE PROFILE

---

**Advancer Global is the outsourcing partner of choice. We are dedicated to providing a holistic suite of services, through the integrated solutions and services across our business divisions, to our diverse customer base.**

**Advancer Global Limited** (前进集团有限公司) (the “**Company**” and together with its subsidiaries, “**Advancer Global**” or the “**Group**”), is an established and integrated workforce solutions and services provider in Singapore. The Group operates through two main business divisions: (i) Employment Services, and (ii) Facilities Management Services, to provide a holistic suite of solutions and services to its diverse base of customers.

The Employment Services division offers integrated and comprehensive employment solutions and services including sourcing, recruitment, training and deployment of foreign domestic workers to households and foreign workers to corporations. The Group offers employment solutions and services through its well-recognised brands, “Nation” and “Enreach”.

The Facilities Management Services division encompasses two sub-divisions: (i) Building Management Services, and (ii) Security Services, which the Group through its well-established subsidiaries, provides property management, security services, pest control, as well as cleaning and stewarding services to a diverse base of customers including, amongst others, residential and commercial properties, hospitals and hotels.

Advancer Global is listed on the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) on 11 July 2016 under stock code 43Q.

## LETTER TO SHAREHOLDERS

**MR. DESMOND CHIN**  
Executive Chairman

### A CUSTOMER-ORIENTED BUSINESS STRATEGY

Dear Shareholders,

On behalf of the Board of Advancer Global Limited, we are pleased to present to you our inaugural annual report for the financial year ended 31 December 2016 ("FY2016").

The listing of Advancer Global Limited on the Singapore Exchange on 11 July 2016 marked a significant milestone in our corporate history, allowing us to quicken our pace in strengthening our business model that encompasses the independent yet complementary Employment Services and Facilities Management Services platforms for our wide customer base.

Of the 43 million new shares offered at S\$0.22 per share during the initial public offering ("IPO"), all 41 million placement shares, including 4 million reserved shares, were fully placed out and the public tranche of 2 million shares was oversubscribed. We are delighted by investors' overwhelming confidence in Advancer Global and we extend a warm welcome to all our new shareholders.

Through this IPO, we raised approximately S\$7.54 million in net proceeds, which will mainly be used for expansion of business operations, branding and marketing, as well as general corporate and working capital.

#### **BROADENING SCOPE OF SERVICES TO DEEPEN AND STRENGTHEN ESTABLISHED NETWORK STRUCTURE**

Following the Group's listing, we embarked on a few strategic acquisitions to expand our scope of services within our Facilities Management Services division, comprising Building Management Services and Security Services, to offer a holistic suite of solutions and services to our existing and new customers.

The range of service offerings under the Building Management Services segment expanded from cleaning and stewarding and pest control services, to property management, property consultancy, and specialised pest control services, following the acquisitions of Newman & Goh Property Consultants Pte Ltd, Newman & Associates Pte. Ltd., Premier Eco-Care Pte. Ltd., Prestige Enviro-Care Pte. Ltd., and Green Management Pte. Ltd., in September and October 2016 respectively.

Similarly, through the acquisition of Ashtree International Pte. Ltd. in September 2016, the Group expanded its existing offerings under Security Services from the provision of manpower for security solutions and services to residential, commercial and industrial properties, and security escort services, to include the provision of security advisory and training.

## LETTER TO SHAREHOLDERS

As a result of our preparation for the IPO and strategic acquisitions during the year under review, the Group incurred higher expenses including non-tax deductible IPO-related expenses. While the Group registered record revenue of S\$50.9 million, a 13.7% year-on-year growth, the Group also experienced higher direct labour costs due to increasing workers' wages and salaries and the acquisitions of new subsidiaries, higher administrative expenses and capital expenditures, as well as professional fees incurred as a listed company. This has resulted in a decline in net profit attributable to the owners of the Company by 38.8% to S\$2.7 million in FY2016, from S\$4.4 million in FY2015.

As at 31 December 2016, the Group has services contracts of S\$3.6 million monthly from the Facilities Management Services division.

### REINFORCING OUR FOUNDATION WITH IMPROVED OPERATIONAL EFFICIENCIES

The Group acknowledges the on-going intense competition in the fragmented service industry we operate in, but we believe that the provision of greater convenience and ease of mind for our customers, both corporations and households alike, are of utmost importance.

We expect the synergistic acquisitions, under the Facilities Management Services division, to drive organic growth within their independent business units as they provide a holistic suite of solutions and services to a wider base of customers.

We also believe the cross-selling of products and services within our range of services under the Facilities Management Services division will complement the Group's Employment Services division. The increase of dual-income households and manpower shortages in Singapore is expected to drive demand for foreign domestic workers in providing caregiving support to families with elderly and children.

While the Group continues to expand prudently, we will also continue to refine and innovate our labour intensive services with technology. We are committed to build an inclusive ecological system with improved operational efficiencies and a centralised management, to bring greater effectiveness and benefits to our customers.

### REWARDING SHAREHOLDERS

As an appreciation to our supportive shareholders, Advancer Global paid an interim dividend of S\$0.0035 per share in September 2016. The Board has recommended a final one-tier tax-exempt dividend of S\$0.0043 per share, subject to approval of shareholders at the forthcoming Annual General Meeting ("AGM") to be held on 28 April 2017. This would translate to a total dividends of S\$0.0078 per share for FY2016, a dividend payout ratio of 50.50% to our shareholders.

**MR. GARY CHIN**  
CEO & Executive Director

### Committed to deliver quality and excellence to our customers

During our IPO, we have committed to a dividend policy of paying at least 50% of our net profit attributable to owners of the Company as dividends for financial years ending 31 December 2016, 2017 and 2018. We will continue to put in our best efforts to achieve better results and deliver our commitments to our shareholders.

### ACKNOWLEDGEMENTS AND APPRECIATION

On behalf of the Board, we extend our sincere appreciation to our fellow directors for their invaluable advice and guidance, and the management and staff for their dedication and commitment, which brought Advancer Global to where it is today.

We would also like to convey our warmest gratitude to our shareholders, customers, bankers, business associates and partners, for your support and confidence in us. We look forward to your continued support as we strive to build on our growth to strengthen the Group's businesses and enhance shareholder value.

**DESMOND CHIN**  
Executive Chairman

## BUSINESS SEGMENTS

**ADVANCER GLOBAL AIMS TO BE A HOLISTIC WORKFORCE SOLUTIONS AND SERVICES PROVIDER TO YOUR DAILY LIVES.**

Advancer Global believes that the provision of greater convenience and ease of mind for customers, both corporations and households alike, are of utmost importance. While the Group continues to integrate and innovate in its solutions and services across its business divisions, the Group also has the vision of infusing technology into the spectrum of labour intensive services to enhance operational efficiencies and bring greater effectiveness and benefits to our customers in the near future.

Advancer Global aims to enhance connectivity between its independent and yet complementary businesses within the Group, with greater mobility and access for its diverse base of customers.

## BUSINESS SEGMENTS

**Advancer Global's competitive edge lies in its dedication and the successful integration of its variety of workforce solutions and services in its two main business categories, allowing the Group to benefit from customisation and deliver a holistic suite of solutions and services to its wide base of customers, thereby achieving economies of scale.**

The Group operates through two main business divisions: (i) **Employment Services**, and (ii) **Facilities Management Services**, to provide a holistic suite of solutions and services to its diverse base of customers.

### **ADVANCER GLOBAL MANPOWER: EMPLOYMENT SERVICES**

Advancer Global Manpower is one of the pioneers and market leaders in the employment services industry in Singapore. Through the Group's Employment Services division, which holds two well-entrenched subsidiaries with established brand names, "**Nation**" and "**Enreach**", the Group is able to provide an integrated and comprehensive employment solutions and services including sourcing, recruitment, training and deployment of foreign domestic workers to households and foreign workers to corporations.

The Group's subsidiaries, Nation Employment Pte Ltd and Enreach Employment Pte. Ltd., are also certified with ISO 9001:2008 in recognition for their quality management systems for the placement of foreign domestic workers and foreign workers.

## BUSINESS SEGMENTS

The **Facilities Management Services** division encompasses two sub-divisions: (i) **Building Management Services**, and (ii) **Security Services** which, through the Group's well-established subsidiaries, provide property management, security services, pest control, and cleaning and stewarding services to a diverse base of customers including residential and commercial properties, hospitals and hotels.

### ADVANCER GLOBAL FACILITY: BUILDING MANAGEMENT SERVICES

Advancer Global Facility provides mainly integrated cleaning and stewarding services to hospitals, hotels, commercial and residential properties, as well as pest control services.

The Group's established subsidiaries, Master Clean Facility Services Pte. Ltd., World Clean Facility Services Pte. Ltd., and First Stewards Private Limited ("**First Stewards**") have received various accreditations for their quality services in their cleaning and stewarding services for the conservancy/public areas, commercial premises and F&B establishments.

Following its listing on the Singapore Exchange in July 2016, the Group expanded its facilities management services division to include (i) property and facilities management services, and property consultancy services for residential, commercial and industrial properties in Singapore through the acquisitions of Newman & Goh Property Consultants Pte Ltd and Newman & Associates Pte. Ltd. (collectively known as "**Newman**") in September 2016, and (ii) specialised pest control services such as fumigation, building maintenance and landscaping through the acquisitions of Premier Eco-Care Pte. Ltd., Prestige Enviro-Care Pte. Ltd., and Green Management Pte. Ltd. in October 2016.

The expansion of its facilities management spectrum of solutions and services strengthens the Group's capabilities in providing a full suite of complementary solutions and services to its diverse base of clientele.

### ADVANCER GLOBAL SECURITY: SECURITY SERVICES

As a strategic complement to its Facilities Management Services division, Advancer Global Security through its subsidiaries, KC Security & Investigation Services Pte. Ltd. and KH Security Agency Pte. Ltd., provides manpower for security solutions and services to residential, commercial and industrial properties, and security escort services.

To extend its security solutions and services capabilities, the Group acquired Ashtree International Pte. Ltd., a security advisory and training Company which specialises in aviation security, sensor technology, SAFE CITY architecture design, blast mitigation, crisis management and emergency response, in August 2016.

## CORPORATE SOCIAL RESPONSIBILITY

As one of the largest integrated workforce solutions and services providers, Advancer Global takes its responsibility of being a good corporate citizen to heart. The Group is committed to giving back to the community, and also encourages active participation by its employees to make a difference to the community by volunteering and supporting worthy causes.

The Group renders financial assistance and support to some charities and community organisations, and also sponsors events and programmes.

### CIREBON INDONESIA CHARITY PROJECT

The Group’s subsidiary, Nation Employment Pte Ltd (“Nation Employment”), together with Bukit Batok Secondary School and PT Lebo Indonesia organised a charity project trip to Cirebon Indonesia in November 2016.

This charity project trip brought our employees and the students from Bukit Batok Secondary School together to visit and interact with the underprivileged families and the

local school children. During the trip, living essentials such as rice, cooking oil, canned food and groceries were packed and distributed.

### PEACEHAVEN NURSING HOME PROJECT

In early February 2017, Nation Employment organised a visit to Peacehaven Nursing Home during Chinese New Year, for our employees to bring festive joy to the elderly there.

## PERFORMANCE REVIEW

### WE STRIVE TO MAKE A DIFFERENCE IN SOMEONE'S LIFE AT ADVANCER GLOBAL

The Group harnesses the strengths of its broadened capabilities to provide more variety of services to its customers.

Advancer Global achieved record revenue of S\$50.9 million for FY2016, an increase of 13.7% from S\$44.8 million in FY2015. The Group operates its Facilities Management Services division through two sub-divisions: (i) Building Management Services, and (ii) Security Services.

In the year under review, the range of service offerings under its Building Management Services segment expanded from cleaning and stewarding and pest control services, to property management and specialised pest control, following the acquisitions of Newman & Goh Property Consultants Pte Ltd ("**NGPC**"), Newman & Associates Pte. Ltd., Premier Eco-Care Pte. Ltd. ("**Premier**"), Prestige Enviro-Care Pte. Ltd. ("**Prestige**"), and Green Management Pte. Ltd., in the second half of FY2016.

Similarly, through the acquisition of Ashtree International Pte. Ltd. in the second half of FY2016, the Group expanded its existing offerings under Security Services from the provision of manpower for security solutions and services to residential, commercial and industrial properties, and security escort services, to include the provision of security advisory and training.

Higher revenue was mainly attributed to (i) the acquisition of new subsidiaries to broaden the service offerings of its Facilities Management Services division, (ii) an increase in the aggregate service fees from on-going projects under the Security Services segment, and (iii) higher aggregate service fees from new contracts secured for cleaning and stewarding

## PERFORMANCE REVIEW

projects, and security services projects. The increase was undermined by a decrease in revenue contribution from the Employment Services division as a result of a decline in the number of foreign domestic workers that the Group had placed out to households in Singapore.

Cost of services increased by 13.5% from S\$32.9 million in FY2015 to S\$37.4 million in FY2016, in line with the increase in revenue from the Facilities Management Services comprising both Building Management Services and Security Services segments. The increase was mainly due to the increase in direct labour costs as a result of the acquisitions during the year, as well as increase in average salaries of security officers and employees in both the cleaning and stewarding

FY2016, and (iv) capital expenditures and professional fees as a listed company.

The Group completed its IPO in July 2016, and incurred IPO expenses amounting to S\$0.9 million during the financial year.

Finance expenses was reduced by 7.8% from S\$115,000 in FY2015 to S\$106,000 in FY2016, due to a reduction in bank borrowings. This was partially offset by an increase in finance lease payables.

In the year under review, the Group had higher effective tax rate due to the one-off IPO expenses, which was non-tax deductible in nature. Consequently, the Group registered net

segment and Employment Services division. This was partially offset by the decrease in recruitment costs paid to overseas recruiters under the Employment Services division.

In tandem with revenue growth, gross profit rose by 14.1% to S\$13.6 million in FY2016 from S\$11.9 million in FY2015. Overall gross profit margin remained relatively stable at 26.6% in FY2016, as compared to 26.5% in FY2015.

Other operating income increased by 36.2% from S\$2.0 million in FY2015 to S\$2.7 million in FY2016. The increase can be attributed to (i) an increase in the grants received from the government credit schemes including Wage Credit Scheme and Temporary Employment Credit as a result of the increase in staff costs, (ii) bad debts recovered for the amount owing to Premier, and (iii) an increase in rebate of insurance premiums due to renegotiated terms, which was partially offset by the absence of a gain on disposal of the property located at Sin Ming Lane, and a gain on bargain purchase arising from the acquisition of Unipest Pte. Ltd. in FY2015.

Administrative expenses increased by 44.7% from S\$8.9 million in FY2015 to S\$12.9 million in FY2016, mainly due to (i) the consolidation of expenses arising from the acquisition of the new subsidiaries, (ii) an increase in staff costs including additional headcount at the corporate level, (iii) directors' incentive bonus based on consolidated financial results in

profit attributable to the owners of the Group amounting to S\$2.7 million in FY2016, a decline of 38.8% over FY2015.

### FINANCIAL POSITION

The Group's balance sheet remains strong with a net cash position of S\$6.9 million (cash and cash equivalents excluding finance lease payables and bank borrowings) as at 31 December 2016. The Group's non-current assets increased by S\$5.3 million or 715.6% from S\$0.7 million as at 31 December 2015 to S\$6.0 million as at 31 December 2016, mainly due to (i) the increase in capital expenditures, and (ii) the increase in goodwill, intangible assets and available-for-sale financial assets as a result of the acquisition of the new subsidiaries. The available-for-sale financial assets relate to NGPC's investment in a company incorporated and operating in China.

Current assets increased by S\$7.5 million or 63.3% to S\$19.4 million as at 31 December 2016. This was mainly attributed to (i) the increase in cash and cash equivalents of S\$3.7 million to S\$8.2 million as at 31 December 2016, (ii) the increase in inventory of S\$26,000 as a result of the acquisition of Premier and Prestige, which provide pest control and fumigation services, and (iii) the increase in trade and other receivables of S\$3.8 million to S\$11.1 million that mainly stemmed from (a) the acquisition of new subsidiaries and the increase in revenue from Building Management Services segment and

Security Services segment, and (b) the increase in advances to overseas recruiters, prepayments and deposits paid for ongoing business expenditures, staff loan, and receivables from government credit schemes.

Shareholder's equity comprising share capital, reserves, retained earnings and non-controlling interests, increased by S\$11.2 million to S\$16.2 million due to an increase in share capital as a result of the issuance of new shares relating to the IPO and the net profit attributable to owners of the Company for FY2016. This increase was partially offset by IPO expenses, adjustments pursuant to the restructuring exercise and interim dividends.

The Group's non-current liabilities was S\$1.1 million as at 31 December 2016, an increase of S\$0.8 million over the previous year. This was attributed to (i) higher finance lease payable as a result of the purchase of motor vehicles under finance lease, and (ii) higher deferred tax liabilities due to the acquisition of the new subsidiaries during the financial year.

Current liabilities increased by S\$0.8 million to S\$8.2 million at the end of December 2016. This was due to (i) an increase in trade payables due to the acquisition of new subsidiaries and an increase in cost of services for all of the Group's business segments, (ii) increase in other payables in relation to employees remuneration, (iii) increase in provision for unutilised leave days and other accrued operating expenses due to the acquisition of the new subsidiaries, (iv) advances from customers of the Employment Services division, and (v) higher

finance lease payable from the purchase of motor vehicles under finance lease. The increase was partially offset by (i) a decrease in bank borrowings, and (ii) a decrease in income tax payable.

#### CASH FLOW

The Group's net cash generated from operating activities in FY2016 was S\$4.3 million. This comprises positive operating cash flows before changes in working capital of S\$4.5 million, adjusted by net working capital change of S\$0.4 million, interest received and taxes paid of S\$14,000 and S\$0.6 million respectively. The positive net working capital changes was due mainly to decreases in inventories of S\$23,000 and an increase in trade and other payables of S\$0.5 million, partially offset by an increase in trade and other receivables of S\$0.2 million.

Net cash used in investing activities was S\$5.2 million in FY2016, due mainly to the acquisitions of the new subsidiaries as well as the purchase of property, plant and equipment.

Net cash generated from financing activities amounted to S\$4.6 million during the year. This was mainly due to the IPO proceeds of S\$9.5 million, proceeds from bank borrowings of S\$0.6 million, offset by payment of dividends of S\$2.6 million, payment of IPO expenses of S\$1.6 million, repayment of bank borrowings of S\$0.9 million, repayment of advances to directors and related parties, and repayment of finance lease payables.

Francis began his career in 1978 as a technician and a tooling planner with Dupont Electronic Pte Ltd, where he was responsible for assisting engineers in performing operations, modification tooling and costing planning. He then co-founded Nation Employment Pte Ltd in 1994 and has since been responsible for the daily operations and management of the Group's Employment Services Businesses.

Francis was conferred the Pingat Bakti Masyarakat (Public Service Medal) for commendable community service in Singapore in 2005.

### MICHELLE LI YING

Chief Financial Officer

Michelle Li Ying is our Chief Financial Officer and is responsible for our Group's internal controls, financial and accounting functions.

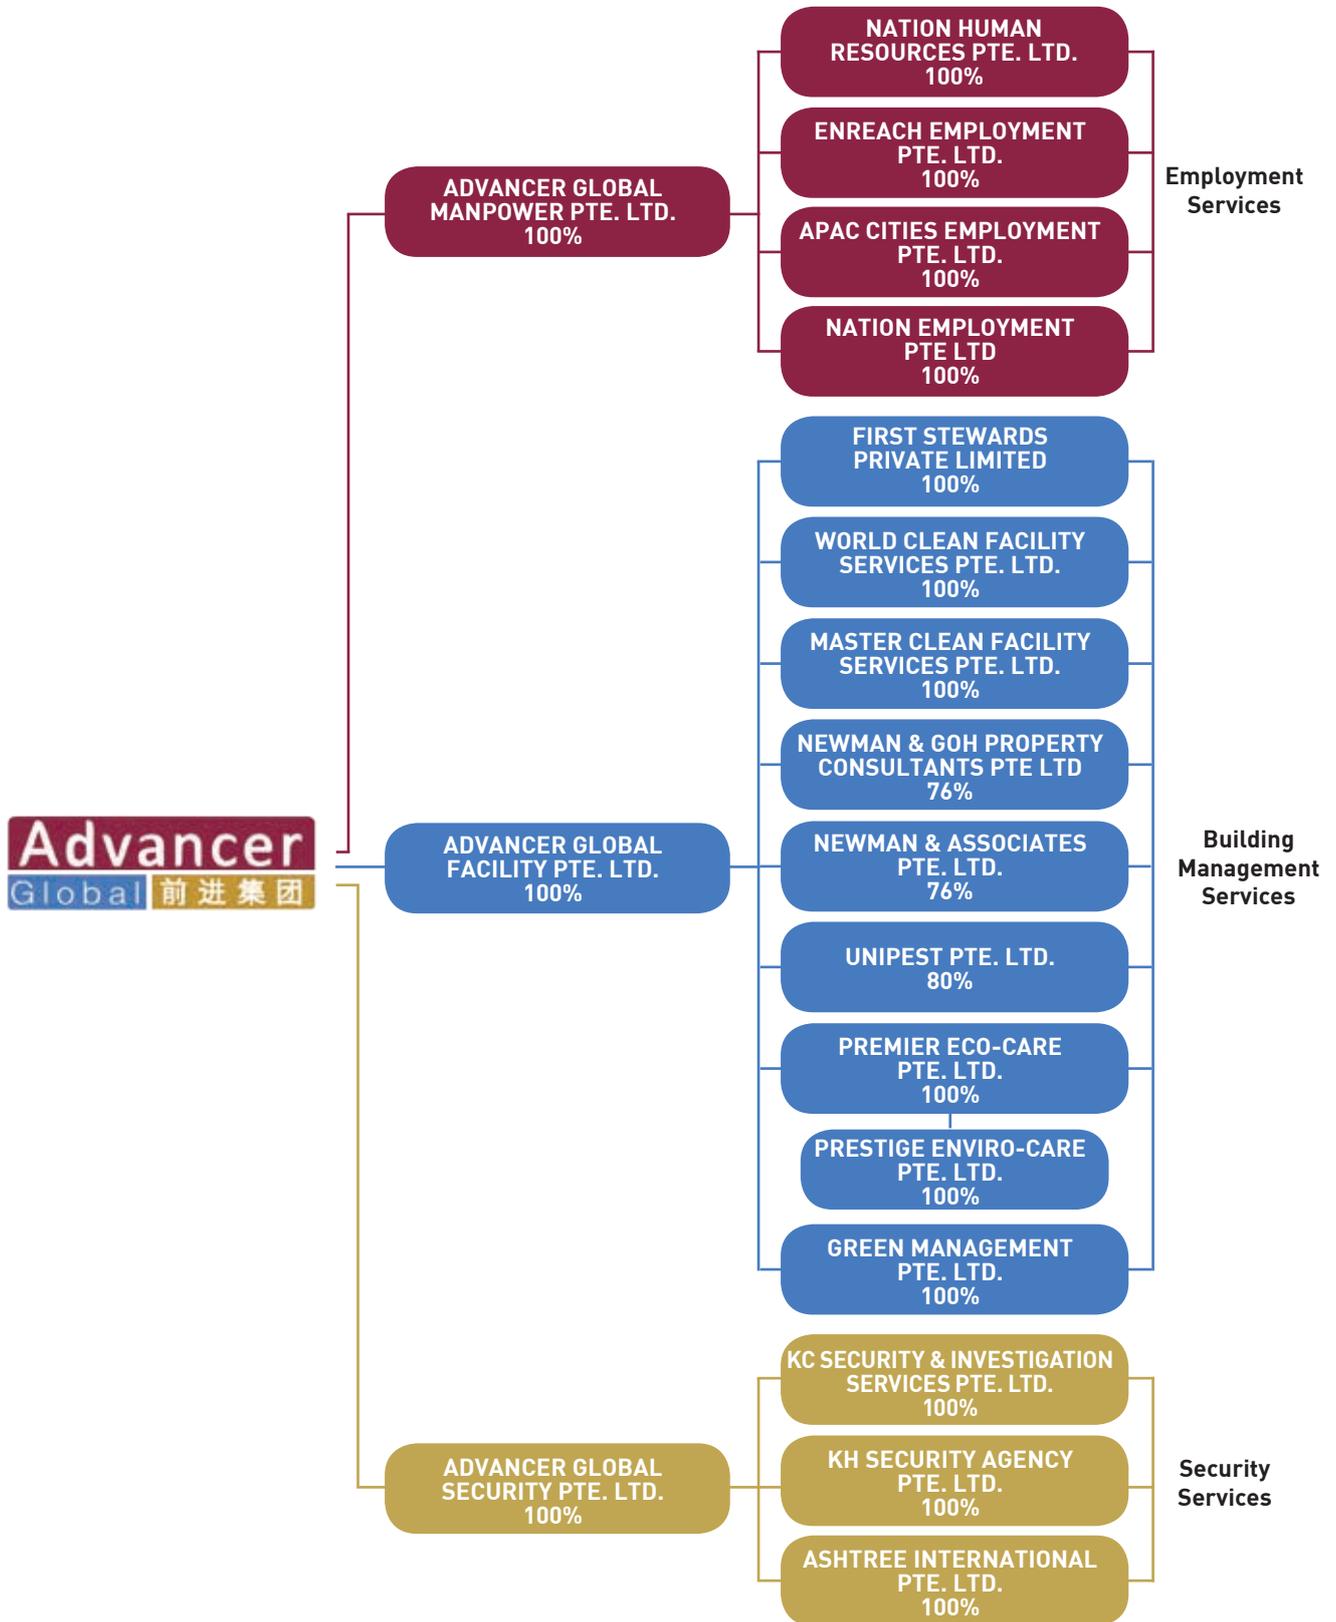

She has over 15 years of experience in accounting and financial management in listed and non-listed companies, before joining our Group as Chief Financial Officer in 2015. Upon graduation, Michelle worked at Pacific International Lines (Pte) Ltd from 1999 to 2005, where she joined as an account officer and was over time promoted to an assistant accounting executive, where she led a finance team to review revenue reporting and collections from overseas agents and subsidiaries. In 2005, she joined BDO LLP as an audit assistant, before leaving the firm as an audit senior in 2008. From 2008 to 2010, Michelle was a finance manager at JES International Holdings Limited, where she was responsible for statutory reporting and financial results announcements, and she also assisted the Chief Financial Officer in financial, accounting, internal controls, taxation matters and investor relations of the group. From 2010 to 2011, she was a finance manager at Ferrell International Limited, and led the finance department of the company. From

2011 to 2013, she was the Financial Controller of SGX-ST Mainboard listed company, AVIC International Maritime Holdings Limited, where she oversaw its internal controls, finance and accounting functions, including statutory and SGX-ST reporting, banking, tax and audit related matters and investor relations. Subsequently, she joined Goyes Group Holdings Company Ltd as Chief Financial Officer in 2014, where she was responsible for overseeing the group's internal controls, financial functions and accounting matters.

Michelle is a member of the Institute of Singapore Chartered Accountants (previously known as Institute of Certified Public Accountants of Singapore), a Fellow of the Association of Chartered Certified Accountants, United Kingdom, and a Certified Internal Auditor of the Institute of Internal Auditors.

Michelle graduated from Oxford Brookes University with a Bachelor of Science in Applied Accounting in 2008 and subsequently obtained a Master of Business Administration from the University of Manchester in 2015.

## CORPORATE GOVERNANCE REPORT

**Advancer Global Limited** (the “**Company**”, and together with its subsidiaries, the “**Group**”) is committed to maintaining a high standard of corporate governance by adhering to the principles and guidelines set out in the Code of Corporate Governance 2012 (the “**Code**”), where appropriate. These principles and guidelines reflect the Board’s commitment in having effective corporate practices to safeguard against, amongst others, fraud and dubious financial transactions, with the aim of protecting shareholders’ interests as well as maximising long-term success of the Company and Group.

The Listing Manual Section B: Rules of Catalist (the “**Catalist Rules**”) of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) requires all listed companies to describe in their annual reports their corporate governance practices, with specific reference to the principles of the Code. For easy reference, sections of the Code under discussion in this report on corporate governance (the “**Report**”) are specifically identified and the Report sets out the Group’s corporate governance practices with specific references to each of the principles and guidelines of the Code. This Report should be read as a whole as other sections of this Report may also have an impact on the specific disclosures.

### 1. THE BOARD’S CONDUCT OF AFFAIRS

**Principle 1: Every company should be headed by an effective Board to lead and control the company. The Board is collectively responsible for the long-term success of the company. The Board works with Management to achieve this objective and Management remains accountable to the Board.**

The Board comprises the following members, all of whom have the appropriate core competencies and provide a diversity of experience to enable them to effectively contribute to the Group.

Chin Mui Hiong (“ <b>Desmond Chin</b> ”)	Executive Chairman
Chin Mei Yang (“ <b>Gary Chin</b> ”)	Chief Executive Officer and Executive Director
Ong Eng Tiang	Executive Director
Loy Soo Chew	Lead Independent Director
Yau Thiam Hwa	Independent Director
Vincent Leow	Independent Director

The principal functions of the Board, in addition to carrying out its statutory responsibilities, *inter alia*, are as follows:

- (i) overseeing and approving the formulation of the Group’s overall long-term strategic objectives and directions, taking into consideration sustainability issues;
- (ii) overseeing and reviewing the management of the Group’s business affairs and financial controls, performance and resource allocation;
- (iii) establishing a framework of prudent and effective controls to assess and manage risks and safeguard shareholders’ interests and the Group’s assets;
- (iv) identifying the key stakeholder groups and recognise that their perceptions affect the Company’s reputation;
- (v) setting the Company’s values and standards (including ethical standards), and ensure that obligations to shareholders and other stakeholders are understood and met;
- (vi) ensuring compliance with the Code, the Companies Act (Chapter 50) of Singapore, the Company’s Constitution, the Catalist Rules, accounting standards and other relevant statutes and regulations; and
- (vii) responsible for the overall corporate governance of the Group.

## CORPORATE GOVERNANCE REPORT

All Directors exercise due diligence and independent judgment, and are obliged to act in good faith and consider at all times the interests of the Company.

Other matters specifically reserved for the Board's approval are those involving corporate restructuring, mergers and acquisitions, major investments and divestments, material acquisitions and disposals of assets, major corporate policies on key areas of operations, major corporate actions such as share issuance, the release of the Group's half-year and full-year results, declaration of dividends and interested person transactions.

Non-Executive Directors may request to visit the Group's operating facilities and meet with the Group's management (the "**Management**") to gain a better understanding of the Group's business operations and corporate governance practices.

Newly appointed Directors will receive a formal letter explaining their duties and responsibilities, and will undergo orientation and be briefed on the business and governance practices of the Group as well as industry-specific knowledge. Prior to the initial public offering of the Company on 11 July 2016, all Directors, save for Mr. Yau Thiam Hwa and Mr. Loy Soo Chew, had no prior experience as director of a public listed company in Singapore prior to their appointments to the Board. They had undergone relevant courses and received training to familiarise and prepare themselves for the roles and responsibilities of a director of a listed company on the SGX-ST.

The Directors are also encouraged to keep themselves abreast of the latest developments relevant to the Group and courses and seminars of relevance to the responsibilities of the Directors will be arranged and funded by the Company. During FY2016, the Executive Directors had attended courses and seminars on sustainability reporting, corporate governance and updates on the laws and regulations applicable to Group's operation. The external auditors update the Directors on the new or revised financial reporting standards on an annual basis. Regulatory releases issued by the SGX-ST and the Accounting and Corporate Regulatory Authority are circulated to the Board on a timely basis.

To assist in the execution of its responsibilities, the Board has, without abdicating its responsibility, established three Board Committees, comprising an Audit Committee (the "**AC**"), a Nominating Committee (the "**NC**") and a Remuneration Committee (the "**RC**"). These committees function within clearly defined written terms of reference and operating procedures. The Board accepts that while these Board Committees have the authority to examine particular issues and report back to the Board with their decisions and recommendations, the ultimate responsibility on all matters lie with the Board.

The Board meets regularly on a half-yearly basis and ad hoc Board Committee or Board meetings are convened when they are deemed necessary. The number of Board Committee and Board meetings held in FY2016 is set out below:

Director	No. of Meetings held and attended in FY2016							
	Board		Audit Committee		Nominating Committee		Remuneration Committee	
	Held	Attended	Held	Attended	Held	Attended	Held	Attended
Desmond Chin	1	1	-	-	-	-	-	-
Gary Chin	1	1	-	-	1	1	-	-
Ong Eng Tiang	1	1	-	-	-	-	-	-
Loy Soo Chew	1	1	2	2	1	1	1	1
Yau Thiam Hwa	1	1	2	2	-	-	1	1
Vincent Leow	1	1	2	2	1	1	1	1

## CORPORATE GOVERNANCE REPORT

---

Only one Board meeting was held during FY2016 as the Company was listed on Catalist on 11 July 2016. The full year Board and Board Committees meetings were conducted on 24 February 2017, and were not included above as they were conducted subsequent to 31 December 2016. The Board may have informal discussions on matters requiring urgent attention, which would then be formally confirmed and approved by circulating resolutions in writing. Adhoc meetings are also convened as and when they are deemed necessary. The Constitution of the Company provides for Board and Board Committee meetings to be held by way of telephonic and videoconferencing.

### 2. BOARD COMPOSITION AND GUIDANCE

**Principle 2: There should be a strong and independent element on the Board, which is able to exercise objective judgment on corporate affairs independently, in particular, from Management and 10% shareholders. No individual or small group of individuals should be allowed to dominate the Board's decision-making.**

The Board comprises six Directors, of whom three (constituting half of the Board) are independent. The Independent Directors are, Mr. Loy Soo Chew, Mr. Yau Thiam Hwa and Mr. Vincent Leow.

The criterion of independence is based on the definition set out in the Code. The Board considers an "Independent" Director to be one who has no relationship with the Company, its related companies, its shareholders with shareholdings of 10% or more of the total votes attached to all the voting shares in the Company, or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Director's independent business judgment with a view to the best interests of the Company. With three Independent Directors, the Board is able to exercise independent judgment on corporate affairs and provide the Management with a diverse and objective perspective on issues.

The independence of each Director is reviewed annually by the NC and the Board. Each Independent Director is required to complete a checklist annually to confirm his independence based on the guidelines as set out in the Code. Each of the Independent Directors also confirmed that they are independent and have no relationship identified in the Code. Through the NC, the Board considers, Mr. Loy Soo Chew, Mr. Yau Thiam Hwa and Mr. Vincent Leow to be independent.

The independence of any Director who has served on the Board beyond nine years from the date of his first appointment will be subject to more rigorous review, taking into account the need for progressive refreshing of the Board. None of the Independent Directors have served on the Board for a period exceeding nine years from the date of their appointments.

The Board has examined its size and is of the view that it is an appropriate size for effective decision-making, taking into account the scope and nature of the operations of the Group and the requirements of the Group's business. There is therefore no individual or small group of individuals who dominate the Board's decision-making. With half of the directors deemed to be independent, the Board is able to exercise independent and objective judgment on Board affairs.

The composition of the Board is reviewed on an annual basis by the NC to ensure that the Board has the appropriate mix of expertise and experience, and collectively possesses the necessary core competencies for effective functioning and informed decision-making. The Board as a group comprises members with core competencies in accounting and finance, business and management experience, industry knowledge, strategic planning and customer-based experience and knowledge. This enables the Management to benefit from the external and expert perspectives of the Directors who constructively challenge key issues and strategies put forth by Management.

## CORPORATE GOVERNANCE REPORT

---

Where necessary or appropriate, the Non-Executive Directors on the Board will meet without the presence of the Management. The Non-Executive Directors communicate regularly to discuss matters related to the Group, including the performance of the Management.

The profiles of the Directors are set out on pages 12 to 13 of this Annual Report.

### 3. CHAIRMAN AND CHIEF EXECUTIVE OFFICER

**Principle 3: There should be a clear division of responsibilities between the leadership of the Board and the executives responsible for managing the company's business. No one individual should represent a considerable concentration of power.**

The positions of Chairman and Chief Executive Officer ("CEO") are held by two separate individuals to ensure an appropriate balance of power, increased accountability and greater capacity for independent decision-making.

The Chairman's roles in relation to Board matters are as follows:

- (i) lead the Board to ensure its effectiveness on all aspect of its role;
- (ii) set the agenda and ensure that adequate time is available for discussion of all agenda items, in particular strategic issues;
- (iii) promote a culture of openness and discussion at the Board;
- (iv) encourage constructive relations between the Board and Management;
- (v) exercise control over quality, quantity and timeliness of the flow of information between Management and the Board;
- (vi) ensure effectiveness communication with shareholders;
- (vii) facilitate the effective of Non-Executive Directors in particular; and
- (viii) promote high standards of corporate governance.

The CEO is responsible for the day-to-day operations of the Group, as well as to carry out the Board's decisions.

There is clear division between the leadership of the Board and the CEO.

As the Chairman, Mr. Desmond Chin, and the CEO, Mr. Gary Chin, are immediate family members, the Board has appointed Mr. Loy Soo Chew as Lead Independent Director in accordance with Guideline 3.3 of the Code. As our Lead Independent Director, Mr. Loy Soo Chew is available to Shareholders in situations where they have concerns or issues which communication with our Executive Chairman, CEO and/or Chief Financial Officer has failed to resolve or where such communication is inappropriate.

### 4. BOARD MEMBERSHIP

**Principle 4: There should be a formal and transparent process for the appointment and re-appointment of directors to the Board.**

The NC is responsible for making recommendations on all board appointments and re-nominations, having regard to the contribution and performance of the Director seeking re-election.

The NC comprises Mr. Vincent Leow, Mr. Loy Soo Chew and Mr. Gary Chin. The chairman of the NC is Mr. Vincent Leow. A majority of the NC, including the chairman, is independent, in accordance with Guideline 2.3 of the Code.

The written terms of reference of the NC have been approved and adopted, and they include the following:

- (a) nominate directors for appointment and re-appointment (including Independent Directors and alternate Directors) taking into consideration each Director's contribution, performance and ability to commit sufficient time, resources and attention to the affairs of our Group taking into account the Director's respective commitments outside our Group including their principal occupation and board representations in other companies;
- (b) review and recommend to the Board the composition of the AC and RC;
- (c) determine annually whether or not a director of the Company is independent having regard to the Code and any other salient factors;
- (d) develop a process for evaluating the effectiveness and performance of the Board and its committees; and propose objective performance criteria, as approved by the Board, that allow comparison with the industry peers (if available) and address how the Board has enhanced long term shareholders' value;
- (e) assess the performance of the Board as a whole and contribution of each director to the effectiveness of the Board;
- (f) review of succession plans for directors, in particular, for the Chairman and the CEO;
- (g) review and decide, in respect of a director who has multiple board representations on various companies, whether or not, such director is able to and has been adequately carrying out his duties as a director, having regard to the competing time commitments that are faced by the director when serving on multiple boards and discharging his duties towards other principal commitments;
- (h) determine and recommend to the Board on the maximum number of listed company board representations which any director may hold;
- (i) review of training and professional development programs for the Board;
- (j) review and approve any new employment of persons related to the director(s) and substantial shareholder(s), and the proposed terms of their employment; and
- (k) other acts as may be required by the SGX-ST and the Code from time to time.

Having made its review on an annual basis, taking into consideration the checklist provided by the Independent Directors as mentioned above, the NC is of the view that Mr. Loy Soo Chew, Mr. Yau Thiam Hwa and Mr. Vincent Leow are independent.

## CORPORATE GOVERNANCE REPORT

The Company does not have a formal selection criteria for the appointment of new directors to the Board. When a vacancy arises under any circumstance, either as part of the Board renewal process or where it is considered that the Board would benefit from the services of a new director with particular skills, the NC, in consultation with the Board, will determine the selection criteria and will select candidates with the appropriate expertise and experience for the position. In its search and nomination process for new directors, the NC may rely on search companies, personal contacts and recommendations for the right candidates. The NC will make reference checks, meet up with the candidates and assess their suitability prior to making recommendations to the Board. Shortlisted candidates will then meet up with the other Board members before the Board approves the appointment.

Board appointments are made by the Board after the NC has, upon reviewing the resume of the proposed Director and conducting appropriate interviews, recommended the appointment to the Board and the Board approving the appointment. Pursuant to the Constitution of the Company, each Director is required to retire at least once every three years by rotation, and all newly appointed Directors who are appointed by the Board are required to retire at the next annual general meeting following their appointment. The retiring Directors are eligible to offer themselves for re-election.

The dates of initial appointment together with their directorships in other listed companies, are set out below:

Director	Position	Date of Initial Appointment	Current directorships in listed companies	Past directorships in listed companies (in last three years)	Other Principal Commitments
Desmond Chin	Executive Chairman	9 June 2016	-	-	Nil
Gary Chin	Chief Executive Officer and Executive Director	2 February 2016	-	-	Nil
Ong Eng Tiang	Executive Director	9 June 2016	-	-	Nil
Loy Soo Chew	Lead Independent Director	9 June 2016	-	-	Nil
Yau Thiam Hwa	Independent Director	9 June 2016	Abundance International Limited	-	Nil
Vincent Leow	Independent Director	9 June 2016	-	-	Nil

According to Article 117 and Article 122 of the Company's Constitution, Mr. Desmond Chin, Mr. Gary Chin, Mr. Ong Eng Tiang, Mr. Loy Soo Chew, Mr. Yau Thiam Hwa and Mr. Vincent Leow, will retire at the Company's forthcoming AGM and will be eligible for re-election. The Board has accepted the NC's recommendation for the re-election of Mr. Gary Chin, Mr. Desmond Chin, Mr. Ong Eng Tiang, Mr. Loy Soo Chew, Mr. Yau Thiam Hwa and Mr. Vincent Leow. In making the recommendation, the NC had considered the Directors' overall contribution and performance.

Mr. Gary Chin and Mr. Desmond Chin are brothers and controlling shareholders of the Company. Mr. Desmond Chin holds 21.45% direct interest in the Company while Mr. Gary Chin holds 17.65% direct interest in the Company.

Mr. Gary Chin and Mr. Desmond Chin are brothers of Mr. Francis Chin, who is an executive officer and a controlling shareholder of the Company. Mr. Francis Chin holds 21.51% direct interest in the Company.

Mr. Ong Eng Tiang is a substantial shareholder of the Company and is interested in 11.41% of the Company's shares.

## CORPORATE GOVERNANCE REPORT

---

When a Director has multiple board representations, the NC also considers whether or not the Director is able to and has adequately carried out his duties as a Director of the Company. The NC is satisfied that sufficient time and attention has been given by the Directors to the affairs of the Company, notwithstanding that only one of the Director, Mr. Yau Thiam Hwa has multiple board representations in listed companies. The NC is of the view that the matter relating to multiple board representations should be left to the judgement of each Director given that time requirements for different board representations vary. As such, the NC and the Board have decided that there is no necessity to determine the maximum number of listed company board representations which a Director may hold at this point in time.

Each member of the NC has abstained from reviewing and voting on any resolution relating to the assessment of his performance and independence, or his re-nomination as Director, or in any matter where he has an interest.

The Company does not have any alternate Director on Board.

Key information regarding the Directors, are set out on pages 12 to 13 of this Annual Report. None of the Directors hold shares in the subsidiaries of the Company.

### 5. BOARD PERFORMANCE

**Principle 5: There should be a formal annual assessment of the effectiveness of the Board as a whole and its board committees and the contribution by each director to the effectiveness of the Board.**

The Board's performance is linked to the overall performance of the Group. The Board ensures that the Company is in compliance with the applicable laws, and members of our Board are required to act in good faith, with due diligence and care, and in the best interests of the Company and its shareholders.

The NC is responsible for assessing the effectiveness of the Board as a whole and the Board Committees, and for assessing the contribution of the Chairman and each individual Director to the effectiveness of the Board. The NC has established a review process by coming up with a set of proposed performance criteria which are set out in an assessment checklist ("**Board Assessment Checklist**") to be completed by the individual Directors and are to be approved by the Board. The NC assesses the Board's effectiveness as a whole by collating and analysing the results of the Board Assessment Checklist, which takes into consideration factors such as the Board's structure, conduct of meetings, risk management and internal control, and the Board's relationship with the Management. The NC also assesses the Board's performance based on a set of quantitative criteria and financial performance indicators as well as share price performance. The NC assesses the individual Directors' performance by completing an Individual Director Assessment Checklist, which takes into consideration factors such as commitment of time for meetings, level of participation and contribution at such meetings and the technical knowledge of the Directors.

In view of the size and composition of the Board, whereby at least two or all Independent Directors sit in the various Board Committees, the Board deems that there would be no value add for the NC to assess the effectiveness of each Board Committee.

The performance criteria are not subject to changes from year to year. Nonetheless, where circumstances deem it necessary for any of the criteria to be changed, the Board will justify such changes.

The Board and the NC have endeavored to ensure that Directors appointed to the Board possess the background, experience, business knowledge, finance and management skills critical to the Group's business. They also ensure that each Director, with his unique skillsets, contributes to the Board by bringing with him an independent and objective perspective of matters to enable balanced and well-considered decisions to be made.

The Company did not use an external facilitator for the evaluation process during FY2016. Where necessary, the NC will consider such an engagement.

### 6. ACCESS TO INFORMATION

**Principle 6: In order to fulfil their responsibilities, directors should be provided with complete, adequate and timely information prior to board meetings and on an on-going basis so as to enable them to make informed decisions to discharge their duties and responsibilities.**

Directors are furnished with detailed, adequate and timely information concerning the Group from the Management, to support their decision-making process and allow them to discharge their duties and responsibilities by acting in the best interest of the Group and its shareholders. Upon request, the Management will promptly provide any additional information needed for the Directors to make informed decisions.

Prior to each Board meeting, the members of the Board are each provided with the relevant documents such as Board papers, strategic plans, financials forecast and all other information necessary for them to comprehensively understand the issues to be deliberated upon and make informed decisions thereon.

As a general rule, notices are sent to the Directors one week in advance of Board meetings, followed by the Board papers, in order for the Directors to be adequately prepared for the meetings.

The Board (whether individually or as a whole) has separate and independent access to the Management, internal auditors, external auditors and the Company Secretary at all times, and may seek independent professional advice, if necessary, at the expense of the Company. The Company Secretary attends all Board meetings and ensures that all Board procedures are followed. Where the Company Secretary is unable to attend any Board meeting, she ensures that a suitable replacement is in attendance and that proper minutes of the same are taken and kept. The Company Secretary also ensures that the Company complies with the requirements of the Companies Act, Chapter 50 of Singapore, and the Catalist Rules. The appointment and removal of the Company Secretary are subject to the approval of the Board as a whole.

### 7. REMUNERATION MATTERS

**Principle 7: There should be a formal and transparent procedure for developing policy on executive remuneration and for fixing the remuneration packages of individual directors. No director should be involved in deciding his own remuneration.**

The RC makes recommendations to the Board on the framework of remuneration, and the specific remuneration packages for each Director. The RC comprises Mr. Loy Soo Chew, Mr. Yau Thiam Hwa and Mr. Vincent Leow, all of whom are Independent Directors. The chairman of the RC is Mr. Loy Soo Chew.

The terms of reference of the RC have been approved and adopted. The duties and powers of the RC include the following:

- (a) recommend to the Board a framework of remuneration for the Directors and Key Management;
- (b) determine specific remuneration packages for each Executive Director and Key Management;
- (c) review annually the remuneration of employees related to the Directors and substantial shareholders to ensure that their remuneration packages (including bonuses, pay increments and promotions) are in line with the staff remuneration guidelines and commensurate with their respective job scopes and level of responsibilities;
- (d) review the Company's obligations arising in the event of termination of the Executive Directors and Key Management's contracts of service, to ensure that such contracts of service contain fair and reasonable termination clauses which are not overly generous with an aim to be fair and avoid rewarding poor performance;

## CORPORATE GOVERNANCE REPORT

- (e) administer the Advancer Global Employee Share Option Scheme (the “**Advancer Global ESOS**”) and Advancer Global Performance Share Plan (the “**Advancer Global PSP**”); and
- (f) other acts as may be required by the Singapore Exchange Securities Trading Limited and the Code from time to time.

The members of the RC are familiar with executive compensation matters as they manage their own businesses and/or are holding other senior positions and directorships. The RC has access to expert advice regarding executive compensation matters, if required.

The RC’s recommendations will be submitted for endorsement by the Board. No member of the RC or any Director is involved in deciding his own remuneration.

### 8. LEVEL AND MIX OF REMUNERATION

**Principle 8: The level and structure of remuneration should be aligned with the long-term interest and risk policies of the company, and should be appropriate to attract, retain and motivate (a) the directors to provide good stewardship of the company, and (b) key management personnel to successfully manage the company. However, companies should avoid paying more than is necessary for this purpose.**

In setting remuneration packages, the RC takes into account pay and employment conditions within the same industry and in comparable companies, as well as the Group’s relative performance and the performance of individual Directors and Key Management. The remuneration package is designed to allow the Company to better align the interests of the Executive Directors and key Management with those of shareholders and link rewards to corporate and individual performance.

The Independent Directors receive directors’ fees for their effort and time spent, responsibilities and level of contribution to the Board and Board Committees, and are subject to shareholders’ approval at annual general meetings.

The Company has entered into fixed-term service agreements with the Executive Directors, namely Mr. Desmond Chin, Mr. Gary Chin and Mr. Ong Eng Tiang. The service agreements are valid for an initial period of three years with effect from the date of admission of the Company to the Catalist. Upon the expiry of the initial period of three years, the employment of Mr. Desmond Chin, Mr. Gary Chin and Mr. Ong Eng Tiang shall be automatically renewed on a yearly basis on the same terms or otherwise on such terms and conditions as the parties may agree in writing. Following the initial period of three years, either party may terminate the service agreements at any time by giving the other party not less than six months’ notice in writing.

The Company has also entered into separate employment contracts with the key Management which provides for remuneration payable to them, annual leave entitlement and termination arrangements.

Remuneration for the Executive Directors comprises a basic salary component and a variable component that is the incentive bonus, based on the performance of the Group as a whole and the ability to meet certain profit targets. Key Management are paid basic salary and performance bonus based on a yearly appraisal. All revisions to the remuneration packages for the Directors and Key Management are subject to the review by and approval of the RC and the Board. Directors’ fees are further subject to the approval of the shareholders at the annual general meeting.

Both the Advancer Global ESOS and the Advancer Global PSP form an integral component of the compensation plan and are designed primarily to reward and retain the Executive Directors, Non-Executive Directors (including the Independent Directors) and employees whose services are vital to Group’s well-being and success.

## CORPORATE GOVERNANCE REPORT

Having reviewed the remuneration packages for the Directors and key Management, which are considered to be moderate, the RC is of the view that there is no need to institute contractual provisions to allow the Company to reclaim incentive components in exceptional circumstances of misstatement of financial results, or misconduct resulting in financial loss or fraud by key Management.

### 9. DISCLOSURE ON REMUNERATION

**Principle 9: Every company should provide clear disclosure of its remuneration policies, level and mix of remuneration, and the procedure for setting remuneration, in the company's annual report. It should provide disclosure in relation to its remuneration policies to enable investors to understand the link between remuneration paid to directors and key management personnel, and performance.**

The Board is of the view that full disclosure of the specific remuneration of each individual Director is not in the best interests of the Company, taking into account the sensitive nature of the subject, the high competitive business environment the Group operates in and the potential negative impact such disclosure will have on the Group, and that the current disclosure on a named basis and in bands of S\$250,000 including the provision of a breakdown in percentage terms is sufficient.

The level and mix of remuneration paid or payable to the Directors and Key Management for FY2016 are set out as follows:

Remuneration bands	Salary & CPF %	Bonus & CPF %	Director's Fee <sup>(1)</sup> %	Other Benefits %	Total %
<b>Directors</b>					
<b>S\$250,000 to below S\$500,000</b>					
Desmond Chin	65	35	-	-	100
Gary Chin	67	33	-	-	100
Ong Eng Tiang	67	33	-	-	100
<b>Below S\$250,000</b>

The Company had adopted the Advancer Global ESOS and Advancer Global PSP. The RC's duties include the administration of the Advancer Global ESOS and Advancer Global PSP.

The aggregate number of shares over which the RC may grant options on any date, when added to the number of shares issued and issuable or transferred and to be transferred in respect of all options granted under the Advancer Global ESOS and the number of shares issued and issuable or transferred and to be transferred in respect of all options or awards granted under any other share option schemes or share schemes of our Company, shall not exceed 15.0% of the total number of issued shares (excluding Shares held by our Company as treasury shares) on the day immediately preceding the date on which an offer to grant an option is made.

The exercise price of the options shall be fixed by the RC at:

- (a) the Market Price; or
- (b) a price which is set at a discount to the Market Price, the quantum of such discount to be determined by the RC in its absolute discretion, provided that the maximum discount which may be given in respect of any option shall not exceed 20.0% of the Market Price in respect of that option.

Market Price is the average of the last dealt prices for a share determined by reference to the daily Official List published by the SGX-ST for a period of 5 consecutive market days immediately prior to the relevant offer date provided always that in the case of a market day on which the shares are not traded on the SGX-ST, the last dealt price for shares on such market day shall be deemed to be the last dealt price of the shares on the immediately preceding market day on which the shares were traded.

Under the Advancer Global PSP, the maximum number of Shares issuable or to be transferred by our Company pursuant to awards granted under the Advancer Global PSP on any date, when aggregated with the aggregate number of Shares over which options or awards are granted under any other share option schemes or share schemes of our Company, will be 15.0% of our Company's total number of issued Shares (excluding Shares held by our Company as treasury shares) on the day preceding that date.

During FY2016, there were no options or awards granted pursuant to the Advancer Global ESOS and Advancer Global PSP, respectively.

## CORPORATE GOVERNANCE REPORT

---

The RC from time to time and where necessary will seek advice from the external remuneration consultant in framing the remuneration policy and determining the level and mix of remuneration for Directors and Key Management. The Board did not engage any external remuneration consultant to advise on remuneration matters for FY2016. None of the members of the RC or any Director is involved in deliberations in respect of any remuneration, compensation or any form of benefits to be granted to him.

### 10. ACCOUNTABILITY

**Principle 10: The Board should present a balanced and understandable assessment of the company's performance, position and prospects.**

The Board understands its accountability to the shareholders on the Group's performance, financial position and prospects. The objectives of the presentation of the annual and interim financial statements announcements to its shareholders are to provide the shareholders with a balanced and understandable analysis and explanation of the Group's financial performance and position, and prospects. In line with the Catalist Rules, the Board provides a negative assurance statement to the shareholders in respect of the interim financial statements.

The Management understands its role in providing all members of the Board with management accounts and such explanation as the Board may require from time to time to enable the Board to make a balanced and informed assessment of the Group's performance, financial position and prospects.

### 11. RISK MANAGEMENT AND INTERNAL CONTROLS

**Principle 11: The Board is responsible for the governance of risk. The Board should ensure that Management maintains a sound system of risk management and internal controls to safeguard shareholders' interests and the company's assets, and should determine the nature and extent of the significant risks which the Board is willing to take in achieving its strategic objectives.**

The Board acknowledges that it is responsible for the overall internal control framework, but recognises that no cost effective control system will preclude all errors and irregularities, as a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Group has implemented a system of internal controls designed to provide reasonable but not absolute assurance that assets are safeguarded, proper accounting records are maintained, operational controls are adequate and business risks are suitably managed. The Board oversees the Management in the design, implementation and monitoring of the risk management and internal control systems, and reviews the adequacy and effectiveness of such systems at least annually.

The internal auditors conduct annual reviews of the effectiveness and have presented their internal audit plan to the AC and the Board in FY2016, to assist the AC and the Board in their review of the Group's key risk management and internal control systems, including financial, operational, compliance and information technology controls. Any material non-compliance or lapses in internal controls, together with recommendations for improvement, are reported to the AC and the Board. The timely and proper implementation of all required corrective, preventive or improvement measures are closely monitored.

The Board has received assurance from the CEO and the Chief Financial Officer (a) that the financial records have been properly maintained and the financial statements for the financial year ended 31 December 2016 give a true and fair view of the Company's operations and finances, and (b) regarding the effectiveness of the Company's risk management and internal control systems.

## CORPORATE GOVERNANCE REPORT

---

Based on the assurance from the CEO and Chief Financial Officer referred to in the preceding paragraph, the various internal controls put in place by the Group, the work performed and reports submitted by the internal auditors of the Group and the reviews carried out by the Board and the AC, the Board, with the concurrence of the AC, is of the opinion that the risk management and internal control systems of the Group, addressing financial, operational, compliance and information technology controls, were adequate and effective as at 31 December 2016.

### 12. AUDIT COMMITTEE

**Principle 12: The Board should establish an Audit Committee with written terms of reference, which clearly set out its authority and duties.**

The AC comprises Mr. Yau Thiam Hwa, Mr. Loy Soo Chew and Mr. Vincent Leow, all of whom are Independent Directors. The chairman of the AC is Mr. Yau Thiam Hwa. No former partner or Director of the Company's existing audit firm or auditing corporation is a member of the AC. The members of the AC have sufficient accounting or financial management expertise, as interpreted by the Board in its business judgment, to discharge the AC's functions.

The written terms of reference of the AC have been approved and adopted. The main duties and powers of the AC include:

- (a) review with the external auditors the audit plans, their evaluation of the system of internal controls, their audit report, their management letter and the management's response thereto;
- (b) review with the internal auditors the internal audit plans, which includes a review of the interested person transactions including the guidelines and procedures for the monitoring of all such transactions, and their evaluation of the adequacy of our internal control (including the effectiveness of the procedures in relation to compliance with the rules and regulations applicable to the Group's operations), accounting system and the management's response before submission of the results of such review to the Board for approval prior to the incorporation of such results in the Company's annual report (where necessary);
- (c) review and report to the Board, at least annually, the adequacy and effectiveness of the Group's internal controls, including financial, operational, compliance and information technology controls and discuss issues and concerns, if any, prior to the incorporation of such results in the annual report;
- (d) review the internal control and procedures and ensure co-ordination between the external and internal auditors and the management, and review the assistance given by the management to the auditors, and discuss problems and concerns, and any matters which the auditors may wish to discuss in the absence of the management, where necessary;
- (e) review the half yearly and annual, and quarterly if applicable, consolidated financial statements and any formal announcements relating to the Group's financial performance, and discuss on changes in accounting policies and practices, major risk areas, significant adjustments resulting from the audit, significant financial reporting issues and judgments, compliance with accounting standards as well as compliance with any stock exchange and statutory/regulatory requirements, concerns and issues arising from audits including any matters which the auditors may wish to discuss in the absence of management to ensure the integrity of the consolidated financial statements and the announcements relating the Group's financial performance, where necessary, before submission to the Board for approval;
- (f) review and discuss with the external and internal auditors any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and the management's response;

## CORPORATE GOVERNANCE REPORT

---

- (g) review the independence and objectivity of the external and internal auditors, taking into account the non-audit services provided by them, as well as consider the appointment or re-appointment of the external and internal auditors and matters relating to resignation or dismissal of the auditors, including approving the remuneration and terms of engagement of the external and internal auditors;
- (h) make recommendations to the Board on the proposals to the Shareholders with regard to the appointment, re-appointment and removal of external and internal auditors, and approve the remuneration and terms of engagement of the auditors;
- (i) review transactions falling within the scope of Chapter 9 and Chapter 10 of the Catalist Rules (if any), and approve any interested person transactions where the value thereof amount to 3% or more of the latest audited net tangible asset of our Group (either individually or as part of a series or are aggregated with other transactions involving the same interested person during the same financial year), or any agreement or arrangement with an interested person that is not in the ordinary course of business of the Group, prior to the Group's entry into the transaction, agreement or arrangement;
- (j) review potential conflicts of interests (if any) and to set out a framework to resolve or mitigate any potential conflicts of interest;
- (k) review key financial risk areas, with a view to providing an independent oversight on the Group's financial reporting, the outcome of such review to be disclosed in the annual reports or if the findings are material, immediately announced via SGXNet;
- (l) review all hedging policies and instruments, if any, to be implemented by the Group;
- (m) undertake such other reviews and projects as may be requested by the Board and report to the Board its findings from time to time on matters arising and requiring the attention of the Audit Committee;
- (n) generally undertake such other functions and duties as may be required by statute or the Catalist Rules, and by such amendments made thereto from time to time;
- (o) review the policy and procedures by which the employees may, in confidence, raise concerns to the chairman of the AC on possible improprieties in matters of financial reporting or other matters, and ensure that there are arrangements in place for the independent investigations of such matter and for appropriate follow-up in relation thereto;
- (p) review and discuss with investigators, any suspected fraud, irregularity, or failure of internal controls or suspected infringement of any relevant laws, rules or regulations of the jurisdictions in which the Group operates, which has or is likely to have a material impact on our Group's operating results or financial position, and our management's response thereto;
- (q) review the effectiveness and adequacy of our administrative, operating, internal accounting and financial control procedures; and
- (r) review the Group's compliance with such functions and duties as may be required under the relevant statutes or the Catalist Rules, including such amendments made thereto from time to time.

The AC has full authority to investigate any matter within its terms of reference, full access to and cooperation from the Management, and full discretion to invite any Director, executive officer or other employee of the Group to attend its meetings, and is given reasonable resources to enable it to discharge its functions properly and effectively.

## CORPORATE GOVERNANCE REPORT

---

The AC meets with the external and internal auditors without the presence of the Management, at least annually.

The external auditors update the AC on any changes in accounting standards impacting the financial statements of the Group before an audit commences.

The fees paid by the Company to the external auditors in FY2016 for audit and non-audit services amounted to S\$301,000 (comprising S\$258,000 for audit services in FY2016; and S\$43,000 for under-provision of audit fees in FY2015) and S\$80,000, respectively. The AC, having undertaken a review of all non-audit services provided by the external auditors, is of the opinion that such services would not affect the independence of the external auditors.

The Company has complied with Rules 712 and 715 of the Catalist Rules in relation to its external auditors.

The Group has implemented a whistle-blowing policy. The policy aims to provide an avenue for employees and external parties to raise concerns about misconduct or improprieties in the Group and at the same time assure them that they will be protected from victimization for whistle-blowing in good faith. Cases that are significant are reviewed by the AC for adequacy of investigation actions and resolutions. The Company's Whistle-blowing policy is available on the Company's website at <http://advancer.sg>.

### 13. INTERNAL AUDIT

**Principle 13: The company should establish an internal audit function that is adequately resourced and independent of the activities it audits.**

The Board recognises the importance of maintaining a sound system of internal controls to safeguard the shareholders' investments and the Group's assets. The Company outsources the internal audit function to an external professional firm to perform the internal audit function, review and test of controls of the Group's processes. The AC approves the appointment of the internal auditors. The internal auditors report directly to the chairman of the AC and has full access to the Company's documents, records, properties and personnel.

The internal auditors plan its internal audit schedules in consultation with, but independent of, the Management. The internal audit plan is submitted to the AC for approval prior to the commencement of the internal audit. The AC will review the activities of the internal auditors, including overseeing and monitoring of the implementation of improvements required on internal control weaknesses identified.

The AC is satisfied with the adequacy and effectiveness of the Company's internal audit function.

### 14. SHAREHOLDER RIGHTS

**Principle 14: Companies should treat all shareholders fairly and equitably, and should recognise, protect and facilitate the exercise of shareholders' rights, and continually review and update such governance arrangements.**

The Company strives for timeliness and consistency in its disclosures to shareholders. It is the Company's policy to keep all shareholders informed of developments or changes that will have a material impact on the Company's share price, through announcements via SGXNET. Such announcements are communicated on an immediate basis, or as soon as possible where immediate disclosure is not practicable due to confidentiality reasons. The Company does not practice preferential and selective disclosure to any group of shareholders.

## CORPORATE GOVERNANCE REPORT

Shareholders are informed on a timely basis of general meetings through notices published in the newspapers and through reports or circulars sent to all shareholders. The Board strongly encourages shareholders' participation during the general meetings. Resolutions are passed through a process of voting and shareholders are entitled to vote in accordance with established voting rules and procedures.

The Constitution of the Company allows a member who is a relevant intermediary to appoint more than two proxies to attend annual general meetings, so that shareholders who hold shares through a relevant intermediary can attend and participate in general meetings as proxies.

### 15. COMMUNICATION WITH SHAREHOLDERS

**Principle 15: Companies should actively engage their shareholders and put in place an investor relations policy to promote regular, effective and fair communication with shareholders.**

The Company recognises that effective communication leads to transparency and enhances accountability. The Company regularly conveys pertinent information, gathers views or input, and addresses shareholders' concerns. In this regard, the Company provides timely information to its shareholders via SGXNET announcements and news releases and ensures that price-sensitive information is publicly released and is announced within the mandatory period. The Company does not practice selective disclosure.

The Company has outsourced its investor relations function to Equitique Communications Pte. Ltd., who facilitates communications with shareholders and analysts, attend to their queries or concerns and keep them apprised of the Group's corporate developments and financial performance.

The Company currently does not have a fixed dividend policy. The form, frequency and amount of future dividends that the Directors may recommend or declare in respect of any particular year or period will be subject to the factors outlined below as well as any other factors deemed relevant by the Directors:

- the Company's financial position, results of operations and cash flow;
- the ability of the subsidiaries to make dividend payments to the Company;
- the expected working capital requirements to support the Group's future growth;
- the ability to successfully implement the Group's future plans and business strategies;
- the passage of new laws, adoption of new regulations or changes to, or in the interpretation or implementation of, existing laws and regulations governing the operations;
- general economic conditions and other factors specific to the industry or specific projects; and
- any other factors deemed relevant by the directors at the material time.

The Board intends to declare and distribute dividends of at least 50.0% of the Company's net profit after tax attributable to owners of the Group in each of FY2016, FY2017 and FY2018 to its shareholders.

During FY2016, the Board proposed an interim dividend and a final dividend of, S\$0.0035 per share and S\$0.0043 per share, amounting in aggregate to a full year dividend of S\$0.0078 per share. The full year dividend payout for FY2016 constitutes 50.50% of net profit after tax attributable to owners of the Company in FY2016 subject to shareholders' approval at the forthcoming AGM.

## CORPORATE GOVERNANCE REPORT

---

### 16. CONDUCT OF SHAREHOLDER MEETINGS

**Principle 16:** Companies should encourage greater shareholder participation at general meetings of shareholders, and allow shareholders the opportunity to communicate their views on various matters affecting the company.

All shareholders of the Company will receive the annual report and the notice of the annual general meeting. The notice will also be advertised in a local newspaper and made available on SGXNET. The Company encourages shareholders' participation at annual general meetings, and all shareholders are given the opportunity to voice their views and to direct queries regarding the Group to Directors, including the chairperson of each of the Board Committees. The Company's external auditors are also present to assist the Board in addressing any relevant queries from shareholders. Minutes of general meetings, including relevant substantial comments or queries from shareholders relating to the agenda of the meeting and responses from the Board or the Management, are available to shareholders upon their request.

The Company also ensures that there are separate resolutions at general meetings on each distinct issue. The Board supports the Code's principle of encouraging shareholder participation. The Constitution of the Company currently allows a member of the Company to appoint up to two proxies to attend and vote at general meetings. The Company will put all resolutions to vote by poll and announce the detailed results after the conclusion of the annual general meeting.

### DEALINGS IN SECURITIES

In compliance with the Catalist Rules on dealings in securities, Directors and employees of the Company are advised not to deal in the Company's shares on short-term considerations or when they are in possession of unpublished price-sensitive information. The Company shall not deal in and prohibits dealings in its shares by its Directors, officers and employees of the Group, who are in possession of unpublished price sensitive information, during the period commencing one month before the announcement of the Company's half-year and full-year financial statements, and ending on the date of the announcement of the results.

### INTERESTED PERSON TRANSACTIONS

The Company has established procedures to ensure that all transactions with interested persons are reported in a timely manner to the AC, and that the transactions are carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority shareholders.

During FY2016, the Group did not enter into any interested person transactions of S\$100,000 and more. The Group does not have a general mandate pursuant to Rule 920 of the Catalist Rules for interested person transactions.

### MATERIAL CONTRACTS

Save as disclosed below, there were no material contracts of the Group involving the interests of the Chief Executive Officer, each Director or controlling shareholder, either still subsisting at the end of FY2016 or if not then subsisting, entered into since the end of the previous financial year:

# INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ADVANCER GLOBAL LIMITED

## Report on the Audit of Financial Statements

### Opinion

We have audited the financial statements of Advancer Global Limited (the "Company") and its subsidiaries (the "Group") which comprise the statements of financial position of the Group and of the Company as at 31 December 2016, and the statements of profit or loss and other comprehensive income, changes in equity and cash flows of the Group, and the statement of changes in equity of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies as set out on pages 44 to 103.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the "Act") and Financial Reporting Standards in Singapore ("FRSs") so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2016 and of the financial performance, changes in equity and cash flows of the Group and changes in equity of the Company for the financial year ended on that date.

### Basis of Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

### Overview

We designed a risk-based audit approach in identifying and assessing the risks of material misstatement at both the financial statement and assertion levels.

As in all our audits, we exercised our professional judgement in determining our materiality, which was also affected by our perception of the financial information needs of the users of the financial statements, being the magnitude of misstatement in the financial statements that makes it probable for a reasonably knowledgeable person to change or be influenced in his economic decision.

For the audit of the current year's financial statements, we performed full scope audit of all 19 components, including 4 significant components identified within the Group, as the appointed statutory auditors.

We focused our resources and effort on areas which were assessed to have higher risks of material misstatement, including areas which involve significant judgements and estimates to be made by directors. We will elaborate on the salient areas of focus as follows:

- Acquisition of subsidiaries – accounting for business combinations; and
- Impairment assessment on goodwill and intangible assets.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current financial period. These matters include the aforementioned salient areas of focus in our audit and do not represent all the risks identified by our audit. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Acquisition of Subsidiaries – Accounting for Business Combinations

*Refer to Note 3.3 (Business Combinations) for relevant accounting policy and Note 14 (Investments in Subsidiaries) for disclosures of the business combination accounting applied to the acquisition.*

As part of its growth strategy, the Group made a number of business acquisitions with total purchase consideration of **S\$6.4 million** during the financial year of the following subsidiaries:

1. Ashtree International Pte. Ltd.
2. Newman & Goh Property Consultants Pte Ltd
3. Newman & Associates Pte. Ltd.
4. Premier Eco-Care Pte. Ltd.
5. Prestige Enviro-Care Pte. Ltd.
6. Green Management Pte. Ltd.

FRS 103 *Business Combinations* ("FRS 103") requires the Group to recognise the identifiable assets, liabilities and contingent liabilities at fair value at the date of acquisition, with the excess of the acquisition cost over the identified fair values recognised as goodwill. This requires significant judgement and estimates, particularly in relation to the identification and valuation of intangible assets acquired in the business combinations and determination of their useful lives.

The Group has engaged an external valuer to conduct the purchase price allocation exercise for the acquisitions in accordance with the FRS 103.

Our procedures included the following:

- Evaluated the qualifications and competence of the external valuer; read the terms of engagement of the valuer with the Group to determine whether there were any matters that might have affected their objectivity or limited the scope of their work;
- Compared the valuation methodologies and key assumptions used in deriving the fair values to generally accepted market practices and market data, and tested the inputs in the valuation;
- Discussed with management and their external valuer, with reference to the reports, contracts and other documentary evidence made available to us, on the basis of the purchase price allocation, including the identification and valuation of intangible assets acquired; and
- Challenged the appropriateness of the useful lives assigned to the identified intangible assets.

#### Impairment Assessment on Goodwill and Intangible Assets

*Refer to Note 4.2 for critical accounting judgements and key sources of estimation uncertainty, and Note 12 (Goodwill on Consolidation) and Note 13 (Intangible Assets) for disclosures relating to the impairment assessment.*

As at 31 December 2016, the Group reported goodwill and intangible assets arising from acquisition of subsidiaries with carrying values amounting to **S\$2,306,000** and **S\$2,159,000** respectively.

Management is required to assess at the end of each reporting period whether there is any indication that the intangible assets may be impaired. If any such indication exists, the management shall estimate the recoverable amount of the asset. Irrespective of whether there is any indication of impairment, the management is required to perform an impairment assessment of goodwill annually.

The recoverable amounts are determined based on estimates of forecasted revenues, growth rates and discount rates. These estimates require judgement and the determination of the recoverable amounts is a key focus area in our audit.

Our procedures focused on evaluating and challenging the key assumptions used by management in conducting the impairment review. These procedures included the following:

- Discussed with management on their planned strategies around business expansion, revenue stream growth strategies and cost initiatives, the progress of negotiations with target customers, and obtained the list of secured and lost contracts;
- Evaluated the reasonableness of management's estimate of expected future cash flows and challenged management's estimates applied in the value-in-use models, with comparison to recent performance, trend analysis and market expectations;
- Reviewed the sensitivity analysis to assess the impact on the recoverable amount of the cash-generating-units subsequent to reasonably possible changes to the key assumptions for adequacy of disclosure in the financial statements; and
- Critically assessed the management's assessment of definite life intangibles for indicators of impairment.

#### Other information

Management is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements, the independent auditors' report thereon, which we obtained prior to the date of this report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Report on the Audit of Financial Statements (Continued)

### Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

## Report on the Audit of Financial Statements (Continued)

### Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditors' report is G Arull.

The Group resulting from the above Restructuring Exercise is regarded as a continuing entity throughout the financial period from 1 January 2015 to 1 June 2016, the date of completion of Restructuring Exercise (the "Relevant Period") as the Group is ultimately controlled by the common shareholders both before and after the Restructuring Exercise. Although the Company is only incorporated on 2 February 2016, the consolidated financial statements of the Group for the Relevant Period have been prepared using the principles of merger accounting on the basis that the Restructuring Exercise transfers the equity interest in the combining entities under the common control of the Company has been effected as at the beginning of the Relevant Periods presented in these consolidated financial statements, or since their respective dates of establishment whichever is the shorter period. Accordingly, the assets and liabilities of these entities have been included in the consolidated financial statements at their historical carrying amounts. No adjustments are made to reflect fair values or recognise any new assets or liabilities as a result of the restructuring exercise. All intra-group transactions and balances have been eliminated on combination.

### 3. Summary of significant accounting policies

#### 3.1 Basis of preparation

The consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company have been drawn up in accordance with the provisions of the Singapore Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards ("FRSs") including related Interpretations of FRS ("INT FRSs") and are prepared on the historical cost basis, except as disclosed in the accounting policies below.

The individual financial statements of each Group entity are measured and presented in the currency of the primary economic environment in which the entity operates (its functional currency). The consolidated financial statements of the Group and the statement of financial position and the statement of changes in equity of the Company are presented in Singapore dollar ("S\$" or "SGD") which is also the functional currency of the Company, and all values presented are rounded to the nearest thousand ("S\$'000"), unless otherwise indicated.

In the current financial year, the Group has adopted all the new and revised FRSs and INT FRSs that are relevant to its operations and effective for annual periods beginning on or after 1 January 2016. The adoption of these new or revised FRSs and INT FRSs did not result in changes to the Group's and Company's accounting policies and has no material effect on the amounts reported for the current or prior financial years.

#### 3.1 Basis of preparation (Continued)

*FRS and INT FRS issued but not yet effective*

At the date of authorisation of these statements, the following FRSs, INT FRSs and amendments to FRSs were issued but not yet effective:

		<b>Effective date (annual periods beginning on or after)</b>
FRS 7	Amendments to FRS 7: <i>Disclosure Initiative</i>	1 January 2017
FRS 12	Amendments to FRS 12: <i>Recognition of Deferred Tax Assets for Unrealised Losses</i>	1 January 2017
FRS 40	Amendments to FRS 40: <i>Transfers of Investment Property</i>	1 January 2018
FRS 102	Amendments to FRS 102: <i>Classification and Measurement of Share-based Payment Transactions</i>	1 January 2018
FRS 104	Amendments to FRS 104: <i>Applying FRS 109 Financial Instruments with FRS 104 Insurance Contracts</i>	1 January 2018
FRS 109	<i>Financial Instruments</i>	1 January 2018
FRSs	Amendments to FRS 110 and FRS 28: <i>Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	To be determined
FRS 115	<i>Revenue from Contracts with Customers</i>	1 January 2018
FRS 115	Amendments to FRS 115: <i>Effective Date of FRS 115</i>	1 January 2018
FRS 115	Amendments to FRS 115: <i>Clarifications to FRS 115 Revenue from Contracts with Customers</i>	1 January 2018
FRS 116	<i>Leases</i>	1 January 2019
Various	Improvements to FRSs (December 2016)	Various
INT FRS 122	<i>Foreign Currency Transactions and Advance Considerations</i>	1 January 2018

Consequential amendments were also made to various standards as a result of these new or revised standards.

The Group and the Company have not early adopted any of the above new or revised standards, interpretations and amendments to the existing standards in the financial year ended 31 December 2016. Other than the following standards, management anticipates that the adoption of the aforementioned new or revised standards will not have a material impact on the financial statements of the Group and Company in the period of their initial adoption.

#### FRS 109 *Financial Instruments*

FRS 109 supersedes FRS 39 *Financial Instruments: Recognition and Measurement* with new requirements for the classification and measurement of financial assets and liabilities, impairment of financial assets and hedge accounting.

Financial assets are classified into financial assets measured at (i) fair value through profit or loss; (ii) amortised cost; or (iii) fair value through other comprehensive income, depending on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets, or as otherwise designated as such upon initial recognition, if allowed.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.1 Basis of preparation (Continued)

##### FRS 109 *Financial Instruments* (Continued)

Fair value gains or losses will be recognised in profit or loss except for certain equity investments, for which the entity will have a choice to recognise the gains and losses in other comprehensive income if the financial assets are measured at fair value through other comprehensive income.

There have been no changes in the de-recognition requirements of financial assets and liabilities, nor the recognition, classification and measurement requirements for financial liabilities from FRS 39, except for financial liabilities that are designated at fair value through profit or loss, where the amount of change in fair value attributable to change in credit risk of that liability is recognised in other comprehensive income unless that would create or enlarge an accounting mismatch.

A new forward-looking impairment model based on expected credit losses, which replaces the incurred loss model in FRS 39, determines the recognition of impairment provisions as well as interest revenue. An entity will recognise (at a minimum of) 12 months of expected credit losses in profit or loss for financial assets measured at amortised cost or fair value through other comprehensive income, unless in the circumstance when there is a significant increase in credit risk after initial recognition which requires the entity to recognise lifetime expected credit losses on the affected assets.

The Group does not intend to early adopt FRS 109. The Group is still assessing the potential impact of FRS 109 on its consolidated financial statements in the initial year of adoption.

##### FRS 115 *Revenue from Contracts with Customers*

FRS 115 supersedes FRS 11 *Construction Contracts*, FRS 18 *Revenue*, INT FRS 113 *Customer Loyalty Programmes*, INT FRS 115 *Agreements for the Construction of Real Estate*, INT FRS 118 *Transfers of Assets from Customers* and INT FRS 31 *Revenue – Barter Transactions Involving Advertising Services* to report useful information about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.

Entities are required to adopt a five-step model which requires (i) their identification of the contract; (ii) their identification of the performance obligations in the contract; (iii) the determination of; (iv) allocation of the transaction price; and (v) recognition of revenue when (i.e. at a point in time) or as (i.e. over time) each performance obligation is satisfied.

The core principle is that an entity recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration which the entity expects to be entitled in exchange for those goods or services.

The Group does not intend to early adopt FRS 115. The Group is still assessing the potential impact of FRS 115 on its consolidated financial statements in the initial year of adoption.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

##### FRS 116 Leases

FRS 116 supersedes FRS 17 *Leases*, INT FRS 104 *Determining whether an Arrangement contains a Lease*, INT FRS 15 *Operating Leases – Incentives*, and INT FRS 27 *Evaluating the Substance of Transactions Involving the Legal Form of a Lease* to set out the principles for the recognition, measurement, presentation and disclosure of leases. The changes introduced by FRS 116 will primarily affect the financial statements of the lessees.

FRS 116 requires, with limited exceptions, the lessee to recognise, at initial recognition, lease liabilities, measured at the present value of lease payments that are not paid as of that date to reflect the present value of the future lease payments, and right-of-use assets at cost, comprising elements including the amount of the initial measurement of the lease liabilities, initial direct costs incurred by the lessee and estimates of other contracted costs to be incurred by the lessee, for its lease contracts. Leases of “low-value” assets and qualifying short term leases entered into by lessees can be exempted from the new recognition criteria.

The Group does not intend to early adopt FRS 116. The Company is still assessing the potential impact of FRS 116 on its financial statements in the initial year of adoption.

#### 3.2 Basis of consolidation

The financial statements of the Group comprise the financial statements of the Company and its subsidiaries. Subsidiaries are entities (including structured entities) (i) over which the Group has power and the Group is (ii) able to use such power to (iii) affect its exposure, or rights, to variable returns from then through its involvement with them.

The Group reassesses whether it controls the subsidiaries if facts and circumstance indicate that there are changes to the one or more of the three elements of control.

When the Group has less than a majority of the voting rights of an investee, it still has power over the investee when the voting rights are sufficient, after considering all relevant facts and circumstances, to give it the practical ability to direct the relevant activities of the investee unilaterally. The Group considers, among others, the extent of its voting rights relative to the size and dispersion of holdings of the other vote holders, currently exercisable substantive potential voting rights held by all parties, rights arising from contractual arrangements and voting patterns at previous shareholders’ meetings.

Subsidiaries are consolidated from the date on which control is transferred to the Group up to the effective date on which control ceases, as appropriate.

Intra-group assets and liabilities, equity, income, expenses and cash flows relating to intragroup transactions are eliminated on consolidation.

The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as that of the Company. Where necessary, accounting policies of subsidiaries have been changed to ensure consistency with the policies adopted by the Group.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.2 Basis of consolidation (Continued)

Non-controlling interests are identified separately from the Group's equity therein. On an acquisition-by-acquisition basis, non-controlling interests may be initially measured either at fair value or at their proportionate share of the fair value of the acquiree's identifiable net assets. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity. Losses in the subsidiary are attributed to non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Changes in the Group's interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. Any differences between the amount by which the non-controlling interests are adjusted to reflect the changes in the relative interests in the subsidiary and the fair value of the consideration paid or received is recognised directly in equity and attributed to the owners of the Company.

When the Group loses control over a subsidiary, the profit or loss on disposal is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. Amounts previously recognised in other comprehensive income in relation to the subsidiary are accounted for (i.e. reclassified to profit or loss or transferred directly to retained earnings) in the same manner as would be required if the relevant assets or liabilities were disposed of. The fair value of any investments retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under FRS 39 *Financial Instruments: Recognition and Measurement* or, when applicable, the cost on initial recognition of an investment in an associate or jointly controlled entity.

Investments in subsidiaries are carried at cost less any impairment loss that has been recognised in profit or loss in the Company's separate financial statements.

#### Common Control Business Combination Outside the Scope of FRS 103 *Business Combinations* ("FRS 103")

A business combination involving entities under common control is a business combination in which all the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination, and that control is not transitory. A business combination involving common control entities, are outside the scope of FRS 103. For such common control business combinations, the merger accounting principles are used to include the assets, liabilities, results, equity changes and cash flows of the combining entities in the consolidated financial statements.

In applying merger accounting, financial statement items of the combining entities or businesses for the reporting period in which the common control combination occurs, and for any comparative periods disclosed, are included in the consolidated financial statements of the combined entity as if the combination had occurred from the date when the combining entities or businesses first came under the control of the controlling party or parties.

### 3. Summary of significant accounting policies (Continued)

#### 3.2 Basis of consolidation (Continued)

##### Common Control Business Combination Outside the Scope of FRS 103 *Business Combinations* ("FRS 103") (Continued)

A single uniform set of accounting policies is adopted by the combined entity. Therefore, the combined entity recognises the assets, liabilities and equity of the combining entities or businesses at the carrying amounts in the combined financial statements of the controlling party or parties prior to the common control combination. The carrying amounts are included as if such combined entity's accounting policies and applying those policies to all periods presented. There is no recognition of any goodwill or excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over cost at the time of the common control combination. The effects of all transactions between the combining entities or businesses, whether occurring before or after the combination, are eliminated in preparing the consolidated financial statements of the combined entity.

Non-controlling interests are identified separately from the Group's equity therein. On an acquisition-by-acquisition basis, non-controlling interests may be initially measured either at fair value or at their proportionate share of the fair value of the acquiree's identifiable net assets. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity. Losses in the subsidiary are attributed to non-controlling interests even if this results in the non-controlling interests having a deficit balance.

The consolidated financial statements were prepared based on the audited financial statements of subsidiaries which were prepared in accordance with FRS for the purpose of combination. The subsidiaries maintain their accounting records and prepare the relevant statutory financial statements in accordance with the FRS including related Interpretations of INT FRS.

The Group resulting from the Restructuring Exercise as disclosed in Note 2, is one involving entities under common control. Accordingly, the consolidated financial statements have been accounted for using the principles of merger accounting where financial statement items of the merged entities for the reporting periods in which the common control combination occurs are included in the consolidated financial statements of the Group as if the combination had occurred from the date when the merged entities first came under the control of the same shareholders.

#### 3.3 Business combinations

The acquisition of subsidiaries is accounted for using the acquisition method. The cost of the acquisition is measured at the aggregate of the fair values, at the date of exchange, of assets given, liabilities incurred or assumed, and equity instruments issued by the Group in exchange for control of the acquiree. Acquisition-related costs are recognised in profit or loss as incurred.

The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition under FRS 103 *Business Combinations* are recognised at their fair values at the acquisition date, except for non-current assets (or disposal groups) that are classified as held-for-sale in accordance with FRS 105 *Non-Current Assets Held for Sale and Discontinued Operations*, which are recognised and measured at the lower of cost and fair value less costs to sell.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.3 Business combinations (Continued)

Where a business combination is achieved in stages, the Group's previously held interests in the acquired entity are remeasured to fair value at the acquisition date (i.e. the date the Group attains control) and the resulting gain or loss, if any, is recognised in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to profit or loss, where such treatment would be appropriate if that interest were disposed of.

The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition under FRS 103 are recognised at their fair value at the acquisition date, except that:

- deferred tax assets or liabilities and liabilities or assets related to employee benefit arrangements are recognised and measured in accordance with FRS 12 *Income Taxes* and FRS 19 *Employee Benefits* respectively;
- liabilities or equity instruments related to the replacement by the Group of an acquiree's share-based payment awards are measured in accordance with FRS 102 *Share-based Payment*; and
- assets (or disposal groups) that are classified as held for sale in accordance with FRS 105 *Non-current Assets Held for Sale and Discontinued Operations* are measured in accordance with that Standard.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period (see below), or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed as of the acquisition date that, if known, would have affected the amounts recognised as of that date.

The measurement period is the period from the date of acquisition to the date the Group obtains complete information about facts and circumstances that existed as of the acquisition date, and is subject to a maximum of one year.

Goodwill arising on acquisition is recognised as an asset at the acquisition date and is initially measured at cost, being the excess of the sum of the consideration transferred, the amount of any non-controlling interest in the acquiree and the fair value of the acquirer previously held equity interest (if any) in the entity over net acquisition-date fair value amounts of the identifiable assets acquired and the liabilities assumed.

If, after reassessment, the Group's interest in the net fair value of the acquiree's identifiable net assets exceeds the sum of the consideration transferred, the amount of any non-controlling interest in the acquiree and the fair value of the acquirer's previously held equity interest in the acquiree (if any), the excess is recognised immediately in profit or loss as a bargain purchase gain.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.4 Revenue recognition

Revenue comprises the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the Group's activities. Revenue is shown net of estimated customer returns, rebates and other similar allowances.

##### Rendering of services

Revenue from a contract to provide services is recognised upon delivery of services and acceptance by customers. The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:

- (a) the amount of revenue can be measured reliably;
- (b) it is probable that the economic benefits associated with the transaction will flow to the entity;
- (c) the stage of completion of the transaction at the end of the reporting period can be measured reliably; and
- (d) the costs incurred for the transaction and the costs to complete the transaction can be measured reliably.

##### Dividend income

Dividend income is recognised when the shareholder's right to receive the payment has been established.

##### Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

##### Rental income

Rental income from operating leases on office premises is recognised on a straight-line basis over the term of the relevant lease (see Note 3.16).

#### 3.5 Borrowing costs

Borrowing costs are recognised in profit or loss in the period in which they are incurred.

#### 3.6 Retirement benefit costs

Payments to defined contribution retirement benefit plans are charged as an expense as they fall due. Payments made to state-managed retirement benefit schemes, such as the Singapore Central Provident Fund, are dealt with as payments to defined contribution plans where the Group's obligations under the plans are equivalent to those arising in a defined contribution retirement benefit plan.

#### 3.7 Employee leave entitlements

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the financial year.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.8 Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the financial year. Taxable profit differs from profit as reported profit or loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The Group's liability for current tax is calculated using tax rates (and tax laws) that have been enacted or substantively enacted in Singapore where the Company and subsidiaries operate by the end of the financial year.

Deferred tax is recognised on the differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised on taxable temporary differences arising on investments in subsidiaries, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each financial year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the financial year and based on the tax consequence that will follow from the manner in which the Group expects, at the end of the financial year, to recover or settle the carrying amounts of its assets and liabilities. Deferred tax is charged or credited to profit or loss, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognised as an expense or income in profit or loss, except when they relate to items credited or debited directly to equity, in which case the tax is also recognised directly in equity, or where they arise from the initial accounting for a business combination. In the case of a business combination, the tax effect is taken into account in calculating goodwill or determining the excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over cost.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.8 Income tax (Continued)

Revenue, expenses and assets are recognised net of the amount of sales tax except:

- when the sales tax that is incurred on purchases is not recoverable from the tax authorities, in which case the sales tax is recognised as part of cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables that are stated with the amount of sales tax included.

#### 3.9 Dividends

Equity dividends are recognised when they become legally payable. Interim dividends are recorded in the financial year in which they are declared payable. Final dividends are recorded in the financial year in which dividends are approved by shareholders.

#### 3.10 Property, plant and equipment

Leasehold buildings held for use in the production or supply of goods or services, or for administrative purposes, are shown at cost less any subsequent accumulated depreciation, and where applicable, accumulated impairment losses.

Property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses. The cost of property, plant and equipment includes its purchase price and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the property, plant and equipment.

Subsequent expenditure relating to property, plant and equipment is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair and maintenance expenses are recognised in profit or loss when incurred.

Depreciation is charged so as to write off the cost of assets over their estimated useful lives, using the straight-line method, on the following bases:

- |                                      |             |
|--------------------------------------|-------------|
| • Leasehold building                 | 30 years    |
| • Cleaning equipment                 | 5 years     |
| • Motor vehicles                     | 3 – 5 years |
| • Computers and office equipment     | 3 – 5 years |
| • Renovation, furniture and fittings | 3 – 5 years |

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The estimated useful lives, residual values and depreciation methods are reviewed, and adjusted as appropriate, at the end of each financial year.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.10 Property, plant and equipment (Continued)

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, if there is no certainty that the lessee will obtain ownership by the end of the lease term, the asset shall be fully depreciated over the shorter of the lease term and its useful life.

The gain or loss, being the difference between the sales proceeds and the carrying amount of the asset, arising on disposal or retirement of an item of property, plant and equipment is recognised in profit or loss.

Fully depreciated property, plant and equipment are retained in the financial statements until they are no longer in use.

#### 3.11 Intangible assets

##### Goodwill on acquisition

Goodwill represents the excess of the cost of an acquisition over the net fair value of the Group's interest in the identifiable assets, liabilities and contingent liabilities of the subsidiary or jointly controlled entity carried at the date of acquisition. Goodwill is at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit (including the goodwill), the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in a subsequent period.

The attributable amount of goodwill is included in the determination of gain or loss on disposal of the subsidiary or jointly controlled entity.

On acquisition of an investment in an associate or joint venture, any excess of the cost of investment over the Group's share of the net fair value of the identifiable assets and liabilities of the associate or joint venture is recognised as goodwill, which is included in the carrying amount of the investment. Any excess of the Group's share of net fair value of the identifiable assets and liabilities of the associate or joint venture over the cost of investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired.

##### Intangible assets acquired in a business combination

Intangible assets acquired in a business combination are identified and recognised separately from goodwill. The cost of such intangible assets is their fair value at the acquisition date.

Subsequent to initial recognition, intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets acquired separately.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.11 Intangible assets (Continued)

##### Intangible assets acquired in a business combination (Continued)

Intangible assets with finite useful lives are amortised on a straight-line basis over their estimated useful lives, on the following bases:

- Customer contracts and contractual customer relationships 2 – 5 years
- Non-contractual customer relationships 8 – 10 years

The estimated useful life and amortisation method are reviewed at the end of each annual reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

#### 3.12 Impairment of tangible and intangible assets excluding goodwill

The Group reviews the carrying amounts of its tangible and intangible assets as at each reporting date to assess for any indication of impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Irrespective of whether there is any indication of impairment, the Group also tests its intangible assets with indefinite useful lives and intangible assets not yet available for use for impairment annually by comparing their respective carrying amounts with their corresponding recoverable amounts.

The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss for the amount by which the asset's carrying amount exceeds the recoverable amount is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior financial years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.13 Financial instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument.

##### Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and allocating the interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial instrument, or where appropriate, a shorter period, to the net carrying amount of the financial instrument. Income and expense are recognised on an effective interest basis for debt instruments other than those financial instruments at fair value through profit or loss.

##### Financial assets

All financial assets are recognised on a trade date – the date on which the Group commits to purchase or sell the asset. They are initially measured at fair value, plus transaction costs, except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value.

Financial assets are classified into the following specified categories: loans and receivables, and available-for-sale financial assets. The classification depends on the nature and purpose for which these financial assets were acquired and is determined at the time of initial recognition.

##### Loans and receivables

The Group's loans and receivables comprise trade and other receivables and cash and cash equivalents.

Such loans and receivables are non-derivatives with fixed or determinable payments that are not quoted in an active market. They are measured at amortised cost, using the effective interest method less impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

##### Available-for-sale financial assets ("AFS")

Certain equity instruments held by the Group are classified as AFS if they are not classified in any of the other categories. Subsequent to initial recognition, with the exception of unquoted equity instruments that are not carried at fair value as the fair value cannot be reliably measured, AFS are measured at fair value and changes therein are recognised directly in the available-for-sale reserve with the exception of impairment losses, interests calculated using the effective interest method and foreign exchange gains and losses arising from monetary items. Where the investment is disposed of or is determined to be impaired, the cumulative gain or loss previously recognised in the available-for-sale reserve is included in profit or loss for the financial year.

The Group's AFS are accounted for at cost less impairment losses, if any, whose fair value cannot be reliably measured.

#### 3.13 Financial instruments (Continued)

##### Financial assets (Continued)

##### Impairment of financial assets

Financial assets are assessed for indicators of impairment at the end of each financial year. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been impacted.

For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amounts of all financial assets are reduced by the impairment loss directly with the exception of trade and other receivables where the carrying amount is reduced through the use of an allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

With the exception of available-for-sale equity instruments, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment loss was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

In respect of available-for-sale equity instruments, any subsequent increase in fair value after an impairment loss is recognised directly in equity.

##### Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds receivables.

##### Financial liabilities and equity instruments

##### Classification as debt or equity

Financial liabilities and equity instruments issued by Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.13 Financial instruments (Continued)

##### Financial liabilities and equity instruments (Continued)

###### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

###### *Ordinary share capital*

Ordinary share capital is classified as equity. Incremental costs directly attributable to the issue of ordinary shares and share options are recognised as a deduction from equity.

###### Financial liabilities

Financial liabilities are classified as either financial liabilities at fair value through profit or loss or other financial liabilities.

Financial liabilities are classified as at fair value through profit or loss if the financial liability is either held for trading or it is designated as such upon initial recognition.

###### Other financial liabilities

###### *Trade and other payables*

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, where applicable, using the effective interest method, with interest expense recognised on an effective yield basis.

###### *Borrowings*

Interest-bearing bank loans and overdrafts are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in accordance with the Group's accounting policy for borrowing costs (see Note 3.5).

###### *Financial guarantee contracts*

The Company has issued corporate guarantees to a bank for borrowings of certain subsidiaries and these guarantees qualify as financial guarantees because the Company is required to reimburse the banks if these subsidiaries breach any repayment terms.

Financial guarantee contract liabilities are measured initially at their fair values plus transaction costs and subsequently at the higher of the amount of obligation under the contract recognised as a provision in accordance with FRS 37 *Provisions, Contingent Liabilities and Contingent Assets* and the amount initially recognised less cumulative amortisation in accordance with FRS 18 *Revenue*.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.13 Financial instruments (Continued)

##### Financial liabilities and equity instruments (Continued)

##### Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or they expire.

##### Offsetting of financial instruments

A financial asset and a financial liability shall be offset and the net amount presented in the statements of financial position when and only when, an entity:

- (a) currently has a legally enforceable right to set-off the recognised amounts; and
- (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

#### 3.14 Inventories

Inventories, comprising mainly chemical products and other materials used for the daily operation, are stated at the lower of cost and net realisable value. Cost which comprised purchase costs is determined on the first-in, first-out basis. Net realisable value represents the net amount that the Group expects to realise from the sale of inventories in the ordinary course of business.

#### 3.15 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits with financial institutions and bank overdrafts that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. For the purpose of the consolidated statements of cash flows, cash and cash equivalents exclude deposits pledged with the financial institutions as collateral and are presented net of bank overdrafts which are repayable on demand and which form an integral part of the Group's cash management.

#### 3.16 Leases

##### Finance leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased assets to the lessee. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is recognised as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly to profit or loss, unless they are directly attributable to the acquisition, construction or production of qualifying assets, in which case they are capitalised in accordance with the Group's general policy on borrowing costs (see Note 3.5).

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.16 Leases (Continued)

##### Operating leases

##### The Group as lessee

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which it is incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

##### The Group as lessor

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

#### 3.17 Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the financial year, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows, which is discounted using a pre-tax discount rate.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Changes in the estimated timing or amount of the expenditure or discount rate are recognised in profit or loss as it arises.

#### 3.18 Government grants

Government grants are recognised at its fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Government grant shall be recognised in profit or loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate. Grants related to income may be presented as a credit in profit or loss, either separately or under a general heading such as "Other operating income".

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 3. Summary of significant accounting policies (Continued)

#### 3.19 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingencies are not recognised on the statements of financial position of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair value can be reliably determined.

#### 3.20 Segment reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenue and expenses that relate to transactions with any of the Group's other components. Management makes decision about resources to be allocated to the segment and assess its performance. Segment managers report directly to the management of the Group. Additional disclosures on each of these segments are shown in Note 32, including the factors used to identify the reportable segments and the measurement basis of segment information.

#### 3.21 Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Group and Company if that person:
  - (i) Has control or joint control over the Company;
  - (ii) Has significant influence over the Company; or
  - (iii) Is a member of the key management personnel of the Group or Company or of a parent of the Company.
- (b) An entity is related to the Group and Company if any of the following conditions applies:
  - (i) The entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
  - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
  - (iii) Both entities are joint ventures of the same third party;

#### 3.21 Related parties (Continued)

- (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity;
- (v) The entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company;
- (vi) The entity is controlled or jointly controlled by a person identified in (a); or
- (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

#### Key management personnel

Key management personnel are those persons having the authority and responsibility for planning, directing and controlling the activities of the Group and the Company, directly or indirectly, including any director (whether executive or otherwise) of that company.

### 4. Critical accounting judgements and key sources of estimation uncertainty

The Group made judgements, estimates and assumptions about the carrying amounts of assets and liabilities that were not readily apparent from other sources in the application of the Group's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors that are considered to be reasonable under the circumstances. Actual results may differ from the estimates.

#### 4.1 Critical judgements made in applying the Group's accounting policies

##### **Acquisition of subsidiaries – accounting for business combinations**

FRS 103 *Business Combinations* ("FRS 103") requires the Group to recognise the identifiable assets, liabilities and contingent liabilities at fair value at the date of acquisition, with the excess of the acquisition cost over the identified fair values recognised as goodwill. This requires significant judgement and estimates, particularly in relation to the identification and valuation of intangible assets acquired in the business combinations and determination of their useful lives. Details concerning acquisitions and business combinations are outlined in Note 14 to the financial statements.

##### **Impairment of available-for-sale equity instrument**

At the end of each financial year, the Group assesses the available-for-sale equity investments for any objective evidence that they are impaired. A significant or prolonged decline in the fair value of the security below its cost is considered in determining whether the investment is impaired. Judgement is used in determining what a significant or prolonged decline is. Refer to Note 15 to the financial statements.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 4. Critical accounting judgements and key sources of estimation uncertainty (Continued)

#### 4.2 Key sources of estimation uncertainty

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

##### **Impairment of goodwill**

The Group tests goodwill for impairment at least on an annual basis. Determining whether goodwill is impaired requires an estimation of the value in use of the cash-generating units ("CGU") to which goodwill has been allocated. The value-in-use calculation requires the entity to estimate the future cash flows expected to arise from the CGU and a suitable discount rate in order to calculate present value. No impairment loss was recognised during the financial year. The carrying amount of the Group's goodwill as at 31 December 2016 was S\$2,306,000 (2015: S\$33,000) (Note 12).

##### **Impairment of intangible assets**

At the end of each financial year, an assessment is made on whether there are indicators that the Group's intangible assets are impaired. The valuation and useful life of the intangible assets are based on management's best estimates of future performance and periods over which value from the intangible asset will be realised. Management reassesses the estimated useful life at each period end, taking into account the period over which the intangible asset is expected to generate future economic benefits. The carrying amount of the Group's intangible assets as at 31 December 2016 was S\$2,159,000 (2015: S\$86,000) (Note 13).

##### **Impairment of investments in subsidiaries**

At the end of each financial year, an assessment is made on whether there are indicators that the Company's investments in subsidiaries are impaired. Where necessary, the Company's and the Group's assessment are based on the estimation of the value-in-use of the assets defined in FRS 36 Impairment of Assets by forecasting the expected future cash flows for a period up to 5 years, using a suitable discount rate in order to calculate the present value of those cash flows. The carrying amount of the Company's investments in subsidiaries as at 31 December 2016 was S\$11,371,000 (2015: S\$Nil) (Note 14).

##### **Depreciation of property, plant and equipment**

The Group depreciates the property, plant and equipment over their estimated useful lives after taking into account of their estimated residual values. The estimated useful life reflects management's estimate of the period that the Group intends to derive future economic benefits from the use of the Group's property, plant and equipment. The residual value reflects management's estimated amount that the Group would currently obtain from the disposal of the asset, after deducting the estimated costs of disposal, as if the asset were already of the age and in the condition expected at the end of its useful life. Changes in the expected level of usage and technological developments could affect the economics, useful lives and the residual values of these assets which could then consequentially impact future depreciation charges. The carrying amount of the Group's property, plant and equipment as at 31 December 2016 was S\$1,488,000 (2015: S\$587,000) (Note 16).

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 4. Critical accounting judgements and key sources of estimation uncertainty (Continued)

#### 4.2 Key sources of estimation uncertainty (Continued)

##### Impairment of loans and receivables

The Group assesses its loans and receivables on a continuous basis for any objective evidence of impairment by considering factors, including the ageing profile, the creditworthiness and the past collection history of each debtor. If the financial conditions of these debtors were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required. The carrying amounts of the Group's and Company's loans and receivables as at 31 December 2016 were S\$19,074,000 (2015: S\$11,751,000) and S\$3,239,000 (2015: S\$Nil) respectively (Note 29).

##### Provision for income taxes

The Group has exposure to income taxes in Singapore of which a portion of these taxes arose from certain transactions and computations for which ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities of expected tax issues based on their best estimates of the likely taxes due. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax positions in the period in which such determination is made. The carrying amount of the Group's current tax payable as at 31 December 2016 was S\$474,000 (2015: S\$585,000).

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 10. Income tax expense (Continued)

The Singapore Government has announced that, for the Years of Assessment ("YA") 2016 and 2017, companies will receive 50% Corporate Income Tax ("CIT") rebate that is subject to a cap of S\$20,000 for each YA.

#### Unrecognised deferred income tax assets

The following deferred income tax assets were not recognised in the statements of financial position as it was uncertain of the extent, timing and quantum of future taxable profit that will be available against which the Group can utilise the benefits as follows:

	Group	
	2016 S\$'000	2015 S\$'000
Unutilised capital allowances	43	-
Unrecognised deferred tax benefits at statutory rate	7	-

### 11. Earnings per share

Basic and diluted earnings per share are calculated by dividing the profit for the financial year attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year. The following table reflects the profit and share data used in the computation of basic and diluted earnings per share:

	Group	
	2016	2015
Earnings for the purposes of basic and diluted earnings per share (profit for the financial year attributable to owners of the Company) (S\$'000)	2,675	4,369
Weighted average number of ordinary shares outstanding for basic and diluted earnings per share ('000)	173,173	173,173
Basic and diluted earnings per share (cents)	1.54	2.52

The basic and dilutive earnings per share is the same as there were no potentially dilutive instruments.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 12. Goodwill on consolidation (Continued)

Goodwill acquired through business combinations is allocated, at acquisition, to the cash-generating units ("CGU") that are expected to benefit from those business combinations. The carrying amount of goodwill had been allocated as follows:

	Group	
	2016 S\$'000	2015 S\$'000
Ashtree International Pte. Ltd.	115	-
Newman & Goh Property Consultants Pte. Ltd.	1,115	-
Newman & Associates Pte. Ltd.	66	-
World Clean Facility Services Pte. Ltd.	33	33
Premier Group*	977	-
	<u>2,306</u>	<u>33</u>

\* Premier Group – Green Management Pte. Ltd., Premier Eco-Care Pte. Ltd. and Prestige Enviro-Care Pte. Ltd. has been allocated as one CGU (Note 14(a)).

#### Impairment testing of goodwill

The Group tests CGU for impairment annually, or more frequently when there is an indication for impairment.

The Group has measured the recoverable amount of the CGU based on 3 to 5-years cash flows projections approved by the Board of Directors. Key assumptions on which management has based its cash flow projections for the respective periods of the significant CGU are as follows:

	Premier Group*		Newman & Goh Property Consultants Pte. Ltd.	
	2016	2015	2016	2015
Growth rates	0% to 1.8%	-	Actual contracts	-
Pre-tax discount rate	9.64%	-	10.80%	-

#### *Key assumptions used in the value-in-use calculations*

*Growth rates* – The forecasted growth rates are based on contractual customers wherein contracts are mostly with a one to three-years term and automatic renewal clause that relevant to the CGUs and regular customers, taking into account of the forecasted growth rate relevant to the environment where the CGUs operate in.

*Discount rates* – The discount rate used is based on the weighted average cost of the CGU's capital (the "WACC"), adjusted for the specific circumstances of the CGU and based on management's experience, and re-grossed back to arrive at the pre-tax rate.

Management is of the view that any reasonable possible change in any of the above key assumptions is not likely to materially cause the CGU's carrying amount to exceed its recoverable amount.

No impairment loss was recognised during the financial years ended 31 December 2016 and 2015.

### 22. Other reserves

#### Capital reserve

This represents the aggregate consideration which was payable to the Existing Shareholders for the acquisition of World Clean Facility Services Pte. Ltd. and Unipest Pte. Ltd.

#### Merger reserve

This represents the difference between the nominal value of shares issued by the Company in exchange for the nominal value of shares and net asset value of the subsidiaries acquired which is accounted for under "merger accounting".

### 23. Finance lease payables

The Group has finance leases for certain motor vehicles. These leases do not have renewal clauses but provide the Group with options to purchase the leased assets at nominal values at the end of the lease term.

Future minimum lease payments under finance leases together with the present value of the net minimum lease payments are as follows:

	Group			
	2016 S\$'000	Present value of minimum lease payments	2015 S\$'000	Present value of minimum lease payments
	Minimum lease payments		Minimum lease payments

Less: Future finance charges	(139)	-	(47)	-
Present value of minimum lease payments	<b>781</b>	<b>781</b>	256	256

The finance lease terms are generally at three to seven years.

The effective interest rates charged during the financial year range from 2.99% to 6.53% (2015: 5.22% to 5.36%) per annum. Interest rates are fixed at the contract dates, and thus are not exposed to fair value interest rate risk. As at the end of the financial year, the fair values of the Group's finance lease obligations approximate their carrying amounts.

All leases are on a fixed repayment basis and no arrangements have been entered into for contingent rental payments.

The Group's finance lease payables are secured by the lessors' title to the leased assets, which will revert to the lessors in the event of default by the Group, and by personal guarantee from directors of the Group.

Finance lease payables are denominated in Singapore dollar as at reporting date.

The rental income recognised in profit or loss during the financial year is disclosed in Note 6 to the financial statements.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 27. Contingent liabilities

As at 31 December 2016, the Company has given corporate guarantees amounting to S\$3,250,000 (2015: S\$Nil) to certain banks and financial institutions in respect of banking facilities granted to the subsidiaries (Note 25).

The Company has evaluated the fair value of the corporate guarantee. Consequently, the Company is of the view that the fair value of the guarantees to the banks and financial institutions with regard to the subsidiaries is not significant. The Company has not recognised any liability in respect of the guarantees given to the banks for banking facilities granted to the subsidiaries as the Company's directors have assessed that the likelihood of the subsidiaries defaulting on repayment is remote.

Such guarantees are in the form of a financial guarantee as they require the Company to reimburse the respective banks if the respective subsidiaries to which the guarantees were extended fail to make principal or interest repayments when due in accordance with the terms of the borrowings. There has been no default or non-repayment since the utilisation of the banking facility.

As at the end of the financial year, the Company had also given undertakings to certain subsidiaries (Note 14) to provide continued financial support to these subsidiaries to enable them to operate as going concerns and to meet their obligations as and when they fall due for at least 12 months from the financial year end.

### 28. Significant related party transactions

During the financial year, in addition to those disclosed elsewhere in these financial statements, the Group entities and the Company entered into the following significant transactions with related parties:

The key management personnel comprise directors and senior management of the Company and its subsidiaries such as Head of Employment Services Business, Chief Financial Officer, and their compensation is disclosed as above.

### 29. Financial instruments and financial risks

The Group's activities expose it to credit risks, market risks (including foreign currency risks and interest rate risks) and liquidity risks. The Group's overall risk management strategy seeks to minimise adverse effects from the volatility of financial markets on the Group's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Group. The management then establishes the detailed policies such as authority levels, oversight responsibilities, risk identification and measurement, and exposure limits, in accordance with the objectives and underlying principles approved by the Board of Directors. The Audit Committee provides independent oversight to the effectiveness of the risk management process. It is, and has been throughout the current and previous financial year, the Group's policy that no trading in derivatives for speculative purposes shall be undertaken.

There have been no changes to the Group's exposure to these financial risks or the manner in which it manages and measures the risk. Market risk exposures are measured using sensitivity analysis indicated below.

#### **Credit risks**

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in a loss to the Group. The Group has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral where appropriate, as a means of mitigating the risk of financial loss from defaults. The Group performs ongoing credit evaluation of its counterparties' financial condition and generally does not require collateral.

The Group does not have any significant credit exposure to any single counterparty or any group of counterparties having similar characteristics.

The Group's major classes of financial assets are bank deposits and trade and other receivables.

Bank deposits are mainly deposits with banks with high credit-ratings assigned by international credit rating agencies.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 29. Financial instruments and financial risks (Continued)

#### *Credit risks (Continued)*

Trade and other receivables that are neither past due nor impaired are substantially companies with good collection track record with the Group.

The age analysis of trade receivables is as follows:

	Group	
	2016 S\$'000	2015 S\$'000
Not past due	604	50
Past due for 0 to 30 days	3,706	2,994
Past due for 31 to 60 days	2,390	2,167
Past due for 61 to 90 days	1,358	446
Past due for more than 90 days	813	170
Total	<u>8,871</u>	<u>5,827</u>

The movements in the allowance for impairment in respect of trade receivables during the financial year are disclosed in Note 19 to the financial statements.

Trade receivables that are individually determined to be impaired at the end of the reporting period relate to debtors that are in significant financial difficulties and have defaulted on payments. These receivables are not secured by any collateral or credit enhancements.

Based on past experience, except for certain trade receivables balances that impaired, the Group believes that no impairment allowance is necessary in respect of the remaining trade receivables due to the good payment track record of its customers.

#### *Credit risk concentration profile*

The Group determines concentrations of credit risk by monitoring the country and industry sector profile of its trade receivables on an ongoing basis. The credit risk concentration profile of the Group's trade receivables at the end of the reporting period is as follows:

	Group	
	2016 S\$'000	2015 S\$'000
<b><i>By industry sectors:</i></b>		
Employment Services	99	248
Building Management Services	5,931	3,847
Security Services	2,841	1,732
	<u>8,871</u>	<u>5,827</u>

The Group has no significant concentration of credit risk. Trade receivables are spread over a broad base of customers. There is no individual customer who accounts for 5% or more of total Group's sales. Further details of credit risk on trade receivables are disclosed in Note 19 to the financial statements. At the end of the reporting date, none (2015: approximately 3.1%) of the Group's trade and other receivables were due from related parties.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 29. Financial instruments and financial risks (Continued)

#### *Market risks*

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates and equity prices will affect the Group's income or the value of its holdings of financial instruments. The Group's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return on risk.

#### Foreign currency risks

The Group is not exposed to foreign currency risk as the transactions are denominated in Singapore dollar, which is the functional currency of the Group.

#### Interest rate risks

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Group's interest rate risks relate to interest-bearing liabilities.

The Group's policy is to maintain an efficient and optimal interest cost structure using a combination of fixed and variable rate debts, and long and short term borrowings.

The Group's interest rate risks arise primarily from the floating rate borrowings with financial institutions.

The Group's exposure to interest rate risks are disclosed in the Notes 23 and 25 to the financial statements, and the interest rates are as follows:

	<b>Group</b>	
	<b>2016</b>	<b>2015</b>
	<b>S\$'000</b>	<b>S\$'000</b>
Bank loans	<b>5.00% to 6.25%</b>	5.0% to 9.5%
Bank overdrafts	-	12.99%
Finance lease payables	<b>2.99% to 6.53%</b>	5.2% to 5.4%

#### *Interest rate sensitivity analysis*

The sensitivity analysis below has been determined based on the exposure to interest rate risks for both derivatives and non-derivative instruments at the end of the financial year. For floating rate liabilities, the analysis is prepared assuming the amount of liability outstanding at the end of the financial year was outstanding for the whole financial year. The sensitivity analysis assumes an instantaneous 1% change in the interest rates from the end of the financial year, with all variables held constant.

### 29. Financial instruments and financial risks (Continued)

#### *Liquidity risks*

Liquidity risk refers to the risk in which the Group encounters difficulties in meeting its short-term obligations. Liquidity risks are managed by matching the payment and receipt cycle.

The Group's operations are financed mainly through equity, retained earnings and borrowings. Adequate lines of credits are maintained to ensure the necessary liquidity is available when required.

The repayment terms of the finance lease payables, bank loans and overdrafts are disclosed in Notes 23 and 25 to these financial statements respectively.

The following table details the Group's remaining contractual maturity for its non-derivative financial instruments. The table has been drawn up based on contractual undiscounted cash flows of financial instruments based on the earlier of the contractual date or when the Group is expected to receive or (pay). The table includes both interest and principal cash flows.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 30. Fair value of assets and liabilities

The carrying amounts of cash and cash equivalents, trade and other current receivables and payables, current bank borrowings at floating rate (Note 25), non-current and current finance lease payables at prevailing market rate (Note 23), approximate their respective fair values due to the relative short term maturity of these financial instruments. The fair values of other classes of financial assets and liabilities are disclosed in the respective notes to the financial statements.

The Group does not hold financial assets nor liabilities carried at fair value or at valuation. Accordingly, the disclosure requirements of the fair value hierarchy (Level 1, 2 and 3) under FRS 107 *Financial Instruments: Disclosures* does not apply.

### 31. Capital management policies and objectives

The Group manages its capital to ensure that entities in the Group will be able to continue as a going concern while maximising the return to stakeholders through optimisation of debt and equity balance except where decisions are made to exit businesses or close companies.

The capital structure of the Group consists of debts, which includes the borrowings disclosed in Note 25 and equity attributable to owners of the Company, comprising issued capital, retained earnings and reserves as disclosed in Notes 21, 22 and statements of changes in equity.

The Group's management reviews the capital structure on a regularly basis. As part of this review, management considers the cost of capital and the risks associated with each class of capital. Upon review, the Group will balance its overall capital structure through the payment of dividends to shareholders, return capital to shareholders or issue new shares and share buy-backs. The Group's overall strategy remains unchanged from 31 December 2015.

Management monitors capital based on a gearing ratio of less than one. The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings (excluding income tax payable and deferred tax liabilities as shown in the statements of financial position), less cash and cash equivalents. Total capital is calculated as total equity as shown in the statements of financial position, plus net debt.

	Group		Company

\* N.M.: Not meaningful

The Group and the Company are not subjected to any externally imposed capital requirements during the financial years ended 31 December 2016 and 2015.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

### 32. Segment information

For management purposes, the Group is organised into business units based on their products and services, and has three reportable segments as follows:

- (a) Employment Services Business segment – the provision of one-stop shop services for the sourcing, employment and training of FDWs to households, as well as sourcing and employment of FWs to, amongst others, corporate and organisations.
- (b) Building Management Services Business segment – the provision of integrated building facility management services including property consultancy, property and facilities management services, property valuation, investment sales, cleaning and stewarding, pest control and fumigation services to, amongst others, hospitals, hotel, residential, commercial and industrial properties. The name of this segment was changed from Cleaning and Stewarding Business segment to Building Management Services Business as a result of the acquisition of the subsidiaries (Note 14) during the financial year ended 31 December 2016.
- (c) Security Services Business segment – the provision of manpower for security solutions and services to, amongst others, commercial, industrial and residential properties, as well as security escort services and security consultancy services such as crisis management.

Except as indicated above, no operating segments have been aggregated to form the above reportable operating segments.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below, is measured differently from operating profit or loss in the financial statements. Group financing (including finance expenses) and income taxes are managed on a group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

The accounting policies of the reportable segments are the same as the Group's accounting policies described in Note 3.20.

2. A member of the Company entitled to attend and vote at a meeting of the Company is entitled to appoint not more than 2 proxies to attend and vote on his/her behalf. A proxy need not be a member of the Company.
3. Pursuant to Section 181 of the Companies Act, Cap. 50 of Singapore, any member who is a relevant intermediary is entitled to appoint two or more proxies to attend and vote at the Annual General Meeting. Relevant intermediary is either:
  - (a) a banking corporation licensed under the Banking Act (Cap. 19) or its wholly-owned subsidiary which provides nominee services and holds shares in that capacity;
  - (b) a capital markets services license holder which provides custodial services for securities under the Securities and Futures Act (Cap. 289) and holds shares in that capacity; or
  - (c) the Central Provident Fund ("CPF") Board established by the Central Provident Fund Act (Cap. 36), in respect of shares purchased on behalf of CPF investors.
4. Where a Member appoints more than 1 proxy, he/she shall specify the proportion of his/her shareholding to be represented by each proxy. If no such proportion or number is specified, the first named proxy may be treated as representing (100%) of the shareholding and any second named proxy as an alternate to the first named.
5. The instrument appointing a proxy or proxies must be deposited at the registered office of the Company at 135 Jurong Gateway Road, #05-317 Singapore 600135, not less than 72 hours before the time appointed for the Annual General Meeting.
6. The instrument appointing a proxy or proxies must be under the hand of the appointer or of his/her attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorised.
7. Where an instrument appointing a proxy or proxies is signed on behalf of the appointer by an attorney, the letter or the power of attorney or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the instrument of proxy, failing which the instrument of proxy may be treated as invalid.
8. A corporation which is a member may authorise by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at the Annual General Meeting.

**General:**

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointer are not ascertainable from the instructions of the appointer specified in the instrument appointing a proxy or proxies. In addition, in the case of shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the members, being the appointer, is not shown to have shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the Annual General Meeting, as certified by The Central Depository (Pte) Limited to the Company.

**PERSONAL DATA PRIVACY**

By submitting an instrument appointing a proxy(ies) and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the Notice of Annual General Meeting dated 13 April 2017.
